## **Creating Environments For Learning Birth To Age Eight 2nd Edition:**

**Creating Environments for Learning: Birth to Age Eight** Julie Bullard,2013-01-25 This invaluable resource presents a balance of theory and application to help novices and practicing early childhood professionals understand why and how to design, arrange and make changes to early childhood learning environments that help children achieve national and state standards through a play based curriculum. Vivid contemporary photos of indoor and outdoor centers make reading this resource an enriching and aesthetically pleasing experience. The Second Edition of Julie Bullard's *Creating Environments for Learning Birth to Age Eight* is a powerful resource for today's early childhood professionals that helps students learn the basic content and principles on environments and curriculum and see environmental and curricular possibilities in practice. Developmental and learning theories, current research, curriculum standards and outcomes, children's interests and their motivation to play, children's diversity, assessment of learning and evaluation of the environment. It also contains a wealth of practical ideas and tips, lists of materials and engaging vignettes and examples from the author's vast classroom experience. This new edition enhances students' understanding of curriculum by improving upon how curriculum is developed and by teaching how to advocate and/or design a play based curriculum preparing them to use the latest research knowledge as they do so. Still organized by chapters on centers, this text helps pre-service and practicing teachers learn to create, maintain and enrich indoor and outdoor learning environments to support children's development from birth to age 8. This is a must have book for any college course or program that wants its teachers to know how to intentionally set up engaging and appropriately challenging early childhood learning environments and to understand the evidence and reasons for why they're doing it.
