Postapocalyptic Fiction and the Social Contract Claire P. Curtis, 2010-07-17 Postapocalyptic Fiction and the Social Contract We'll Not Go Home Again provides a framework for our fascination with the apocalyptic events The popular appeal of the end of the world genre is clear in movies novels and television shows Even our political debates over global warming nuclear threats and pandemic disease reflect a concern about the possibility of such events This popular fascination is really a fascination with survival how can we come out alive And what would we do next The end of the world is not about species death but about beginning again This book uses postapocalyptic fiction as a terrain for thinking about the state of nature the hypothetical fiction that is the driving force behind the social contract The first half of the book examines novels that tell the story of the move from the state of nature to civil society through a Hobbesian a Lockean or a Rousseauian lens including Lucifer's Hammer by Larry Niven and Jerry Pournelle Alas Babylon by Pat Frank Malevil by Robert Merle and Into the Forest by Jean Hegland The latter half of the book examines Octavia Butler's postapocalyptic Parable series in which a new kind of social contract emerges one built on the fact of human dependence and vulnerability

Michael Hopf, 2017-10-30 Nineteen years have passed since a nuclear world war wiped out the United States leaving nothing but charred and ruined cities. Out of the ashes small pockets of survivors banded together to forge new societies in the few areas not ravaged by the nuclear holocaust. One community has not only risen but thrived. Known as The Collective, they pride themselves on an orderly system of government with a functioning infrastructure. The citizenry owe their success to their founder, The Number One, who presides over them with an iron fist. Life in The Collective centers on contribution and purpose. All are assigned responsibilities and if one cannot fulfill them, they are cast out. The most coveted but dangerous responsibility is that of a driver. Drivers ride the lonely and barren roads, scavenging and exploring the outer reaches. Over the years, only one has emerged as a legend, and his name is Driver 8.
