**Big Kibble** Shawn Buckley, Oscar Chavez, 2024-03-26 **A big inside look at the shocking lack of regulation within the pet food industry and how readers can dramatically improve the quality of their dogs lives through diet** What s really going into commercial dog food The answer is horrifying Big Kibble is big business 75 billion globally A handful of multi national corporations dominate the industry and together own as many as 80% of all brands This comes as a surprise to most people but what s even more shocking is how lax the regulations and guidelines are around these products The guidelines or lack thereof for pet food allow producers to include ever cheaper ingredients and create ever

larger earnings For example legal ingredients in kibble include poultry feces saw dust expired food and diseased meat among other horrors Many vets still don t know that kibble is not the best food for dogs because Big Kibble funds the nutrition research So far these corporations have been able to cut corners and still market and promote feed grade food as if it were healthful and beneficial until now Just as you are what you eat so is your dog Once you stop feeding your dog the junk that s in kibble or cans you have taken the first steps to improving your dog s health behavior and happiness You know the unsavory side of Big Tobacco and Big Pharma Now Shawn Buckley Dr Oscar Chavez and Wendy Paris explain all you need to know about unsavory Big Kibble and offer a brighter path forward for you and your pet
