Francis Chan, 2021-07-01 New York Times bestselling author Francis Chan calls for believers and churches everywhere to align our hearts with God and start taking seriously His commands to unify It's clear from Scripture that God desires unity for His Church If unity is so important to the heart of God why is the Church one of the most divided groups on earth Chan argues that the problem is the shallowness of our love for each other rooted in a shallowness in our understanding of the gospel *Until Unity* shows us God grieves the division in the Church so we can't remain indifferent Unity demands a level of humility only possible by the Spirit The power and witness of the Church hinges on our oneness Unity comes at a cost but it commands a blessing We must come together as a Christ's Bride God desires His people to love one another radically and become the Church He has called us to be For further individual or small group study check out *Until Unity Study Guide* an eight session interactive workbook that serves as a companion to *Until Unity* along with a free online video series

Quicklet on Francis Chan's Crazy Love: Overwhelmed by a Relentless God (CliffNotes-like Summary) Teirrah McNair, 2012-02-24 ABOUT THE BOOK As Francis so brilliantly illustrates the life that Jesus calls us to is absolute craziness to the world Sure it's fine and politically correct to believe in God but to really love Him is a whole different story This

signature quote by worship leader Chris Tomlin written in the Foreword to Crazy Love is a perfect starting place for getting an understanding of Francis Chan's powerful work and the significance of it in our culture. I like that Tomlin refers to what Chan does first and foremost as illustration. That's insightful because although Crazy Love is rich with controversy, if we dare to view it from the onset through the lens of the term *illustrator*, we are much more likely to enjoy the ride. In common usage, *illustrate* means to paint a picture that captures or enables us to see the words. Writers at Dictionary.com defines *illustrate* as to clarify or explain by use of examples, explain or decorate with pictures to enlighten. With that said, then Chan stands as one man with a paintbrush, a vision, and a point of view, all of which bow to his experiences, both spiritual and natural.
