

IIAD Design Aptitude Test (IDAT)

IIAD is one of the premier design institutes in India which offers the following Undergraduate Programmes in Design

1. B.A. (Hons) in Fashion Design
2. B.A. (Hons) in Communication Design
3. B.A. (Hons) in Interior Architecture and Design

The Admission Procedure for these programmes at IIAD consists of the IIAD Design Aptitude Test (IDAT), an essential part of the selection procedure for any design aspirant. This includes a written examination and a studio simulation. The written examination tests the theoretical as well as the logical aptitude, while the studio simulation tests the problem solving abilities of the aspirant. Based on this test, IIAD accepts a select number of students purely on merit.

The candidate has to appear for both parts of the IDAT; Part A, the Design Aptitude Test and Part B, the Studio Simulation; in order to qualify for the assessment based on which the merit list will be prepared.

Part A - Design Aptitude Test (IDAT)

This is a mandatory written test of 2.5 hours duration, which tests the candidate's logical reasoning, creative thinking and visual aptitude. All the questions in the written examination booklet are to be attempted.

Part B - IDAT Studio Simulation

The second part of the IDAT i.e Studio Simulation takes place after the written examination. Studio Simulation is a personal interaction session conducted in small groups, simulating a design studio experience. Candidates are expected to exhibit their creative thinking, teamwork, articulation and problem solving abilities. The session is conducted in a studio environment of approximately 2 hours duration.
