Stovell,2016-02-02 Motherhood provides a crucial place for exploring human life and its meaning Within motherhood lies a deep tension between the pain crisis and association with death in motherhood and the joy transformation and life in motherhood Few metaphors in Scripture or in life stand so firmly between life and death love and loss and joy and deep pain After all motherhood s meaning in part comes again and again at these crucial crossroads Thus motherhood has powerful implications for our biblical and theological understanding Bringing together Jewish and ecumenical Christian scholars from North America Oceania and South America this edited volume provides biblical and theological perspectives on understanding motherhood The authors reflect upon a selection of biblical texts systematic theologians and Christian spiritual traditions to dialogue with the experience of maternity in its diverse manifestations The purpose of the book is to provide essays that through these biblical and theological lenses engage the question of motherhood today from the experience of pregnancy and birth to raising children to losing children and coping with grief In this way this volume helps to make sense of the complexity of motherhood     **Centering Prayer and Rebirth in Christ on the Tree of Life** Kess Frey,2013-10-15 This unique book draws on the secret wisdom of Israel Qabalistic Tree of Life to describe the soul s inner purification healing and rebirth in Christ rooted deep in the mysterious process and inner silence of non conceptual contemplative prayer Prayer in secret Matt 6 6 is prayer in the unconscious Using the Tree of Life as a map of universal creation and the individual soul Macrocosm and microcosm Centering Prayer and Rebirth in Christ offers a detailed and revealing look into the hidden workings of the Spirit in the soul s inner depths When read slowly and thoughtfully this book elevates the mind offering what is for most of us a new vision of our evolving life in Christ and Christ in us The essence of Centering Prayer is consenting to God s presence and action in us and in our life The work of the Spirit in us aims to bring us from the limitations and disappointments of our false self over identifi cation with the separate self sense of ego and its ill conceived desires into the fulfillment of our true self as a spiritual being As the false self s obstacles are removed by the

divine action which needs our willing consent and cooperation our growing freedom to consent becomes cause for increasing peace and joy in the soul This is a gift of divine love that brings us step by step into the fullness of our life in Christ which is a continuing rebirth into the limitless light life and love of the divine consciousness The intended purpose of Centering Prayer s conceptual background is to support the actual practice of non conceptual contemplative prayer and the wondrous process of inner spiritual unfolding that Centering Prayer facilitates
