Learning objectives

1. The first step in the process is to identify the problem or issue that needs to be addressed. This involves gathering information and understanding the context of the problem.

THE Entrepreneurial Foundation has also helped expanding university programs, improve infrastructure, policy, and stimulate entrepreneurship and engineering-based growth. This can be recognized in the role of University Authorities in charge, most of them reported the positive sustainability of their spending practices, as you should notice if these data are viewed in reverse.
