Women, Gays, and the Constitution David A. J. Richards,1998-07-20

In this remarkable study David A J Richards combines an interpretive history of culture and law political philosophy and constitutional analysis to explain the background development and growing impact of two of the most important and challenging human rights movements of our time feminism and gay rights Richards argues that both movements are extensions of rights based dissent rooted in antebellum abolitionist feminism that condemned both American racism and sexism He sees the progressive role of such radical dissent as an emancipated moral voice in the American constitutional tradition He examines the role of dissident African Americans Jews women and homosexuals in forging alternative visions of rights based democracy He also draws special attention to Walt Whitman s visionary poetry showing how it made space for the silenced and subjugated voices of homosexuals in public and private culture According to Richards contemporary feminism rediscovered and elaborates this earlier tradition And similarly the movement for gay rights builds upon an

interpretation of abolitionist feminism developed by Whitman in his defense both in poetry and prose of love between men Richards explores Whitman's impact on pro gay advocates including John Addington Symonds Havelock Ellis Edward Carpenter Oscar Wilde and André Gide He also discusses other diverse writers and reformers such as Margaret Sanger Franz Boas Elizabeth Stanton W E B DuBois and Adrienne Rich Richards addresses current controversies such as the exclusion of homosexuals from the military and from the right to marriage and concludes with a powerful defense of the struggle for such constitutional rights in terms of the principles of rights based feminism
