Community College Steven R. Helfgot, Marguerite McGann Culp, 1995-05-25 **School Review Monographs** National Society of College Teachers of Education, 1930 *First-Generation College Students and Study Abroad* Simon Mary Asele Ahiokhai, Matt Daily, Layla Garrigues, 2025-09-26 This book showcases the experiences of first generation college students on study abroad programs Research shows that study abroad programs develop crucial life skills provide valuable experiences and enhance academic achievement However only a small percentage of first generation students access these opportunities By centering the voices and stories of first generation students this book advocates for equity in global education while reimagining study abroad as a more accessible and empowering experience This book asks how faculty administrators and staff can tap into the strengths of first generation students to increase the number of those who take advantage of their opportunities and explores the ways in which first generation students contribute to the success and vision of study abroad programs It will be of interest to scholars studying educational outreach higher education and comparative and international education *Publications, No. 1-132, 134-140* Herbert Anderson Toops, 1929 **The Proceedings of International Conference Reinventing Higher Education**, 1998 *Reconceiving Sport and Youth Culture as Bridges to Academic Success in an Urban High School* Jeffrey Michael Reyes Duncan-Andrade, 2002 **Reinventing Richard Nixon** Daniel E. Frick, 2008 Examining Nixon's autobiographies and political memorabilia Frick offers far reaching perceptions not only of the man but of Nixon's version of himself contrasted with those who would interpret him differently He cites reinventions of Nixon from the late 1980s particularly the museum at the Richard Nixon Library and Birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques And he recounts how celebrants at Nixon's state funeral at which Bob Dole's eulogy depicted a God fearing American hero attempted to bury the sources of our divisions over him rendering in some minds the judgment of redeemed statesman to erase his status as disgraced president With dozens of illustrations Nixon posing with Elvis the National Archives most requested photo Nixonian cultural artifacts classic editorial cartoons no other book collects in one place such varied images of Nixon from so many diverse media These reinforce Frick's probing analysis to help us understand why we disagree about Nixon and why it matters how we resolve our disagreements

BOOK JACKET *Annual Schoolmen's Week Proceedings*, 1926 **Reinventing Undergraduate Education** Shouping Hu, Kathyrine Scheuch, Robert A. Schwartz, Joy Gaston Gayles, Shaoqing Li, 2008-02-11 Engaging undergraduate students in research and creative activities has been advocated as an innovative strategy to promote student learning in higher education This monograph systematically synthesizes the literature to provide both conceptual and empirical evidence to demonstrate the effects of such engagement on student learning and development from higher education Student engagement in research and creative activities during the college years is associated with a variety of outcomes in both the cognitive and affective domains The evidence also points out that colleges and universities can make a difference in undergraduate engagement in research and creative activities The authors provided various examples of how different types

of institutions integrate inquiry oriented activities in the curriculum institutionalize research supportive programs and foster a campus culture that values inquiry based undergraduate education This is the fourth issue in the 33rd volume of the Jossey Bass series ASHE Higher Education Report Each monograph in the series is the definitive analysis of a tough higher education problem based on thorough research of pertinent literature and institutional experiences Topics are identified by a national survey Noted practitioners and scholars are then commissioned to write the reports with experts providing critical reviews of each manuscript before publication
