When We Collide A. L. Jackson, 2012-10-01 Maggie lived her entire life without hope until one man showed her what it meant to be loved. Six years ago that darkness stole him away. Without him she's surrendered herself to an existence she doesn't know how to escape. When the family William left behind is struck by tragedy he is called back to the one place he's sworn to never return to again. In a moment that will change his life forever William comes face to face with the girl who with one look captured his heart. He is unable to ignore the buried desires and the hope for the future they'd once believed they'd have. Now William is ready to fight to take back what had been stolen from him six years before. But he never imagined what that fight might cost him.

Collide Heather Burke, 2023-07-06 There's an ancient prophecy that a blend of bloods will bring about the purest form of balance. On earth heaven and hell will stop fighting because the destroyer of worlds will fuse in blood with the ones of old. Because of this humanity will cease to exist and only the spirit ones will remain. Nothing is easy or clean when it comes to love. Both Whit and Cami find that the birth of their child has opened doors to the darkest realms and brightest hopes. The greatest evil is more than happy to get his hands on Samuel and take him to the depth of depravity unimagined. Bellator the house which fights evil tirelessly battles to keep the child safe all the while inadvertently pitting Cami against Whit. Foes then become allies and friends lose their lives all for the cause of good versus evil. This story twists and turns through the gritty love story that is all contorted with no end to the consequences. For love this supernatural thriller will go to places untold and fight for what's right even if it means destroying their own families and lives in the process.
