It is the deepest and most effective spiritual work I have found and it has helped me realize my dreams. Each time I read it I am amazed at the depth and breadth of wisdom and love it teaches. It is a practical way of truth that will change your life. Barbara Ann Brennan, author of *Hands of Light*. For more than twenty years Eva Pierrakos was the channel for a spirit entity known only as the Guide. Combining rare psychological insight with an inspiring vision of human possibility, the Guide's teachings, known as the Pathwork, have influenced many key New Age thinkers who have studied at Pathwork centers in the United States and abroad. Now the core teachings of the guide have been collected in one volume, synthesizing the essential wisdom of the Pathwork. Under such headings as The Idealized Self Image, The Forces of Love, Eros and Sex, Emotional Growth and Its Function, Real

and False Needs and The Spiritual Meaning of Crisis the Pathwork outlines the entire process of personal spiritual development Unlike many over idealized philosophies the Pathwork confronts our devils as well as our anges our all too human failings and petty ego concerns as well as our divine strengths It shows us how to accept ourselves fully as we are now and then ot move beyond the negativity or lower self that blocks our personal and spiritual evolution It offers a practical rational and honest way to reach our deepest creative identity I would advise that this book be read with a willingness to take time to digest what the Guide says This is not light reading thought it is Light reading I assure you I find an enormous compatibility between these lectures and Emmanuel s teachings What a wonderful gift to a wonderful world Pat Rodegast author of Emmanuel s Book The Architect and Building News ,1927 The Architect ,1927 Sexy, Spirited and Strong Meloney Hudson,2009-02-03 Sexy Spirited and Strong Becoming a Positive Energy Woman focuses on revitalizing the three energetic centers in a woman s body sex spirit and strength called the Energetic Triangle through sharing various physical spiritual and energetic techniques of Eastern and Western origin that ultimately help increase a woman s overall energy and self esteem Meloney Hudson is a teacher of women s empowerment workshops based on Tantric and Western principles and has made it her personal mission to empower women to change themselves and popular perceptions of women for the betterment of the planet She compiles simple yet powerful exercises designed to restore each of the three energetic areas She also includes many resources that women can explore to deepen self growth and learn more about women s history While centering on the methods needed to achieve a healthy Energy Triangle Hudson also teaches how to Build sexual and spiritual energy Discover a connection to spirit Increase self esteem Nurture and express the feminine soul Achieve life changing goals Through the techniques offered in this insightful guidebook women everywhere will be inspired to feel loving joyful healthy and capable of attracting and creating a beautiful destiny Becoming What Is Changing: Exposition Veerle De Bock,2013-05-10 Becoming What is Changing You Are the Perfect Tool to Achieve This Universal Principles for Transforming Self Systems Organizations Our world is changing Our technology is changing the way we live and communicate Modern science opens gateways to new world views The rate at which we are exposed to new information new paradigms and new ideas is accelerating every day Amidst all this overwhelming change there is an inherent intelligence in the Universe that continuously self organizes We have the choice to align with this intelligence or continue to operate within old structures in government business education healthcare and even in our personal lives We often cling to hierarchical models which no longer work for us Those at the top of the ladder are fearful of what might happen if they relinquish control Those at the bottom surrender responsibility to those above Many of us easily get stuck in a pattern of blaming the system for everything that goes wrong But the truth is we are ALL the system Whether you are a seasoned CEO or an entry level employee YOU have the ability and the responsibility to engage with the system as a living being composed of all those involved In Becoming What is Changing Universal Principles for Transforming Self Systems Organizations Volume 1
