simple yet effective set of five exercises for health and longevity the Five Rites Certain dietary rules and lifestyle principles accompanied the Rites so did a Sixth Rite that worked the diaphragm muscles and redirected sexual energies and also a set of teachings about seven energy centers or vortices in the body though not the same as the well known seven chakras along the spine These vortices are among the most distinctive things about the system and are found in only a scattered handful of sources elsewhere It is by awakening the vortices to their normal rate of spin the book claims that the Rites achieve their effects John Michael Greer follows each of these threads back as far as possible to reveal something of the landscape of ideas and practices that gave rise to these remarkable exercises He then spins the threads back together putting the Five Rites in as much of their original context as he can and describing in detail the practice of the broader system in which the Rites have their place a system of inner alchemy meant to awaken certain subtle powers of the human body and mind The book also includes the complete original text of The Eye of Revelation

Food & Fitness Journal Bob Weinstein LtCol Ret,2010-09-21 The Food Fitness Journal includes Daily inspirational health and fitness quote 1 200 Calorie Meal Plan Workout Guide Free Resources on Exercising and Eating Three step Goal setting Action Plan Fitness Test military style Lifestyle Change Contract Portion Size Guide Calorie Burn Charts Benefits of the Journal Feel better and look better Break bad eating habits How to Live To 100 - Diane Culik,Kyle Weed,2015-01-05 This eBook provides a guide to living to be 100 years or older but that s only half of the goal The other half is to feel young and healthy as you age After all what good is growing old if you are not healthy vibrant and having fun doing it The emphasis will be on proven secrets and tips I have learned over the years that will really help you avoid some of the landmines and take advantage of what we do know as far as extending your life and staying healthy and happy We will list the top 10 dos and the top 10 don ts and for each give a list of facts and then a discussion Some chapters will also include an extra helpful tips section with additional information So in this book we will talk about the topic of aging and look at what s happened to people as they have tried to stay healthy and active as long as possible I put together a list of a number of things that people should look at and do or not do as they go about their daily lives I will go through them and you may love me or hate me at the end of this I am warning you because I ve got some things that I don t think are controversial but a lot of people might so we will go through them and then you can decide for yourself The How to Live to 100 Guidebook will show you help you explain reveal teach you and give you the ability to 1 Know the top 10 things you should be doing for your health 2 Know the top 10 things you should not do if you want to stay healthy 3 43 more anti aging tips to think about 4 Know Two vitamins you really need to be taking 5 Know the power of Fruits and vegetables 6 Know why the microwave is not good for you at all 7 Why salt and water are crucial for you and what kinds of salt and water 8 Feel Better doing these things could help you feel much better 9 Feel Peace of mind of knowing you have invested in a healthy future for yourself 10 Achieve cleanliness by detoxification of the body 11 Strange news about a mouse getting younger What does the future maybe hold for us 12 And a lot more This book recommends specific things you can do

immediately to feel better and improve your health It contains valuable health secrets and pointers you should know about if you suffer from any of these conditions Pick up your copy today *Ikigai* Héctor García, Francesc Miralles, 2017-08-29

INTERNATIONAL BESTSELLER 2 MILLION COPIES SOLD WORLDWIDE Workers looking for more fulfilling positions should start by identifying their ikigai Business Insider One of the unintended yet positive consequences of the pandemic is that it is forcing people to reevaluate their jobs careers and lives Use this time wisely find your personal ikigai and live your best life Forbes Find your ikigai pronounced ee key guy to live longer and bring more meaning and joy to all your days Only staying active will make you want to live a hundred years Japanese proverb According to the Japanese everyone has an ikigai a reason for living And according to the residents of the Japanese village with the world s longest living people finding it is the key to a happier and longer life Having a strong sense of ikigai where what you love what you re good at what you can get paid for and what the world needs all overlap means that each day is infused with meaning It s the reason we get up in the morning It s also the reason many Japanese never really retire in fact there s no word in Japanese that means retire in the sense it does in English They remain active and work at what they enjoy because they ve found a real purpose in life the happiness of always being busy In researching this book the authors interviewed the residents of the Japanese village with the highest percentage of 100 year olds one of the world s Blue Zones Ikigai reveals the secrets to their longevity and happiness how they eat how they move how they work how they foster collaboration and community and their best kept secret how they find the ikigai that brings satisfaction to their lives And it provides practical tools to help you discover your own ikigai Because who doesn t want to find happiness in every day What s your ikigai **Immortal Again** Walter Parks, 2011-04-21

Secrets of the Ancients Their Secrets can Increase our Longevity Ancient literature from the Bible and the clay tablets of Sumer tells us that Methuselah lived 969 years and that the Babylonian Kings lived even longer Ancient Indian literature tells us that they drank soma juice from the tree of life to achieve these old ages I believe I have found the secrets of the ancients Combining the ancient secrets and the decoding and unraveling of the human genome indicates that we can soon have the means to live such long lives The science suggests that we may be able to eventually free ourselves of aging and like the ancients become Immortal Again The Secret of Long Life Goddard Ezekiel Dodge Diamond, Hilton Hotem, 1960
