

Parent Quick Start Guide to Twinkl Phonics Minibooks

The Twinkl Phonics minibooks build on skills taught in the Twinkl Phonics Progression. They follow the learning sequence of the and focus while helping your child to practice and apply their new phonics knowledge to read and write.

Key terms we use in this guide:

Phonics - when the teacher reads a sentence from a book and says each word in turn.

High-frequency words - phonemes that are frequently used in the phonics or reading sentence so they are not taught as individual letters.

High-frequency phonemes (high, ay, er, er)

High-frequency words (the, a, an, are, are, are)

High-frequency letters - letters that are frequently used in the phonics or reading sentence. These are sometimes different to the high-frequency words.

Initial letter - the first letter of the word that shows the sound it represents (e.g. a, e, i, o, u).

Letter formation - the letters that make up the words in the sentence. These letters are written in the correct direction and in the correct order.

What Do the Reading Minibooks Look Like?

From now on, you will notice the changes that you introduce when reading. As you work through the Twinkl Phonics Progression, the minibooks you are challenging to read will change with you.

Level 1

What are your child's first words? In this book, we introduce the letters 'a' and 'e' to help your child learn and practise reading words with these initial letters. This book also includes lots of words that start with 'a' and 'e'.

Level 2

At Level 2, your child's words are starting to change and you will notice that they are starting to read more words that start with 'a', 'e', 'i', 'o' and 'u'.

Look at the words in this minibook and see if you can spot any words that start with 'i', 'o' and 'u'.

Remember, your child's words are getting a little longer as they learn more words.
