How could Flynn have any information that would implicate the president, if the president were innocent?

Going further, why would Trump himself attempt or instruct others to attempt the 10 obstructive acts detailed in the report if he was innocent?

Why would his associates have had to stonewall, destroy evidence, tamper with witnesses, and lie to investigators if he was innocent?

Why has he claimed executive privilege over the redacted portions of the report if he's innocent and "totally exonerated?"

It still boggles my mind that conservatives don't seem to possess the basic cognitive function required to utilize simple logic.

Answer: because the trump-drunk crowd doesn't care what he's guilty of--he's the mascot for their team.

They. Do. Not. Care.

Even if we ignore the smoke that suggests fire, obstruction regardless of being guilty or otherwise, is still illegal and should be an impeachment.

If you are obstructing because you don't want a bad hair day photo go get out to the public, illegal. If you are obstructing just to be contrarian, illegal. If you are obstructing because you're worried you'll be mistakenly found guilty, well now you're guilty of obstruction.
