Cut out the questions below and put them into a bowl. Take turns pulling out at a question and sharing your answer!

If you could instantly become an expert in any hobby or activity, what would you choose?	What's the most adventurous thing you've ever done?	If you were a teabag, what flavor would you be?
What's one thing on your bucket list?	What's the best piece of advice you would give to your younger self?	What reality TV show would you be a contestant on?
What's a place that you've visited that has a special place in your heart?	What's the most interesting job you've ever had?	Who was your celebrity crush growing up?
Who is your favorite musical artist and what's your favorite song of theirs?	If you were stranded on a deserted island, which three items would you want to have with you?	If you were given a million dollars to donate to a charitable cause, which cause would you support?
What was your worst first date like?	If you could time travel, would you go to the past or the future? Which time period would you choose?	If you could travel back in time and relive one day of your life, which day would you choose and why?
What's something no one here knows about you?	What is a skill you think everyone should have to learn?	What's one quality or trait you admire in others and strive to have yourself?
If you could have dinner with any celebrity, dead or alive, who would it be and why?	If you could trade places with any fictional character for a day, who would it be and what would you do?	If you could change one decision you've made in the past, what would it be and why?
