actions or decisions may be because you failed to employ emotional intelligence EQ emotional intelligence refers to being able to recognize, employ, manage and understand emotions in a meaningful, positive way. Having high emotional intelligence can help you communicate with others, defuse interpersonal conflicts, reduce stress and anxiety, have healthier relationships, overcome challenges, and empathize with the people around you. EQ impacts your life because it influences your relationships and behavior. Emotional intelligence is synonymous with awareness of self as it allows you to live with autonomy, purpose, and meaningful intention. And this is just the tip of the iceberg.

**The Decision Making Process** Most of us go through our lives making the most crucial choices based on what our current situation looks like. Maybe we even see these circumstances as beyond our control, limiting our solutions and options immediately. Taking some time to examine and reflect the motivations behind our actions can help us live with intention instead of living through knee-jerk reactions and blaming where we are on factors outside of our control.

**Emotional Intelligence: How To Improve Your Emotions And Self Awareness: An Ultimate Guide To EQ Mastery** Do you often react in ways that you regret later? Do you find it almost impossible for you to control your emotional reactions to different stimuli, whether good or bad? Well, the truth is, even during good times, it is not always that we want to show our excitement to others. Think about it: you don't want to look overly excited when you are about to win a game of poker, do you? The same applies to undesirable emotions. If you have angry outbursts at the slightest provocation, break down into tears when faced with challenges, and have a hard time dealing with challenging situations such that you snap at people regularly, you need to do something about it. This something is what we refer to as building emotional intelligence, and this book will show you exactly how to go about it. In this book, you will discover what emotional intelligence is and how to build your emotional intelligence so that you stop following where your emotions lead you to. Instead, you will be the one in charge of your emotions such that you react in whichever way you want effortlessly. More precisely, this book will teach you the following:

- What emotional intelligence is and what it entails
- Why you need emotional intelligence
- The components of emotional intelligence
- A step by step formula that will help you develop emotional intelligence
- How to understand other people's emotions to enhance your social skills
- And much, much more!
