I have made it my mission to create the bedtime stories revolution to help parents and kids enjoy a deeply relaxing daily bedtime story before sleep. Why I strongly believe in the power of bedtime stories for several reasons: Firstly, bedtime stories help children sleep, which has become an issue for many children and adults in this tech-fueled society. They allow you and your child to deeply connect at the end of each day at a time your child will cherish, and this alone will get them excited for bedtime. And we haven't even mentioned the endless life lessons that can be portrayed through the power of storytelling, as well as the numerous cognitive, mental, and emotional benefits. Regular bedtime stories can bring study after study has shown how bedtime stories help improve children's well-being, learning potential, creativity, child-parent bonding, and can make them far happier than scrolling on their iPad aimlessly while inspiring children to become amazing creators.
