 affects babies and toddlers      **NICEM Update of Nonbook Media** National Information Center for Educational  
 Media,1981      **Creative Camera** ,1991      YC Young Children ,2006      **Understanding Child Development** Rosalind  
 Charlesworth,2008 Understanding Child Development 7e is a text designed for students in early childhood teacher  
 preparation programs and for teacher s in service and those in related in service and preparation programs It is now  
 available in the seventh edition and includes many new features and benefits For students it introduces the unique qualities  
 of the young child as distinguished from older children and demonstrates how to work with young children in ways that  
 correspond with their individual developmental level and social and cultural environment For in service teachers the text  
 offers an opportunity to evaluate their views of young children and compare them with the views presented in the text In  
 each section of the book critical social and cultural factors are related to young children s development and factors relevant  
 to working with children with special needs are integrated throughout the text Other areas covered include developmentally  
 appropriate practice readiness assessment working with children and families from diverse cultures development of early  
 stages of reading the importance of brain development and play and learning Content is connected directly to the importance  
 of play and technology to a young child s learning is included along with the popular theoretical views of learning Many real  
 life examples and anecdotes are included in the text in order to make theory and research come alive The text is organized in  
 larger sections with chapter divisions that provide the reader with easily digested segments of material Each chapter  
 includes boxed problems for reflection and for further learning as well as further activities reference lists and review  
 questions at the end of each chapter The text includes many examples explanatory charts and full color photographs and the  
 online resources are expanded      **Medical Press** ,1954      **Bowker's Complete Video Directory 2001** ,2001      *The*
