The Global ISBN Handbook Azhar ul Haque Sario, 2025-10-30 Have you ever wondered why that 13 digit number on the back of a book costs 125 in the United States but is completely free in Canada and India This book *The Global ISBN Handbook* is your 2025 guide to the International Standard Book Number It explains everything about this global fingerprint for books The ISBN is the most important cornerstone of the publishing industry It started as a simple warehouse tool in the 1960s Now it is a complex digital identifier used in over 200 countries This handbook deconstructs the entire system It uses 15 distinct national case studies to do this You will learn how the old 10 digit system changed to the new 13 digit one We break down the five parts of the ISBN from the Bookland prefix to the final check digit The book explores the global governance framework starting with the International ISBN Agency Then it dives deep into how different countries run their systems You ll see the privatized high cost model in the United States You ll compare it to Canada s free government run system We explore the industry led models in Brazil and Germany We look at government run systems in Mexico and India We even cover the unique case of China where the ISBN is not a simple identifier but a state controlled publication license The book also examines the systems in the UK France Russia Japan Australia South Africa Nigeria and Egypt Many books and websites can tell you how to get an ISBN This handbook is the only resource that explains why the process is so different everywhere you look It moves beyond a simple how to and provides a true global analysis It directly compares the privatized for profit models in the US and UK against the free public good systems in Canada and South Africa You won t just learn the price you will understand the cultural policies market structures and legal philosophies that shape that price This book shows how the ISBN is a global mirror It reveals how a simple number can be a commercial product in one nation a tool of cultural

policy in another and an instrument of state control in a third This comparative insight is the missing piece for any author publisher or researcher trying to navigate the complex international publishing market Disclaimer This handbook is an independently produced resource for commentary and analysis The author has no affiliation with the International ISBN Agency R R Bowker Library and Archives Canada the National Press and Publication Administration or any other national ISBN agency This work is independently produced under the principle of nominative fair use

Fantasy Lover Sherrilyn Kenyon,2002-02-18 Dear Reader Being trapped in a bedroom with a woman is a grand thing

Being trapped in hundreds of bedrooms over two thousand years isn't And being cursed into a book as a love slave for eternity can ruin even a Spartan warrior's day As a love slave I know everything about women How to touch them how to savor them and most of all how to pleasure them But when I was summoned to fulfill Grace Alexander's sexual fantasies I found the first woman in history who saw me as a man with a tormented past She alone bothered to take me out of the bedroom and onto the world She taught me to love again But I was not born to love I was cursed to walk eternity alone As a general I had long ago accepted my sentence Yet now I have found Grace the one thing my wounded heart cannot survive without Sure love can heal all wounds but can it break a two thousand year old curse Julian of Macedon     Upon The

**The Phoenix Keeper** S. A. MacLean,2024-08-13 As head phoenix keeper at a world renowned zoo for magical creatures Aila s childhood dream of conserving critically endangered firebirds seems closer than ever There s just one glaring caveat her zoo s breeding program hasn t functioned for a decade When a tragic phoenix heist sabotages the flagship initiative at a neighbouring zoo Aila must prove her derelict facilities are fit to take the reins But saving an entire species from extinction requires more than stellar animal handling skills Carnivorous water horses tempestuous thunderhawks mischievous dragons Aila has no problem wrangling beasts Inspiring zoo patrons That s another story Mustering the courage to ask for help from the hotshot griffin keeper at the zoo s most popular exhibit Virtually impossible Especially when that hotshot griffin keeper happens to be her arch rival from college Luciana an annoyingly brooding and insufferable know it all with the grace of a basilisk and the face of a goddess who s convinced that Aila s beloved phoenix would serve their cause better as an active performer rather than as a passive conservation exhibit With the world watching and the threat of poachers looming Aila s

success is no longer merely a matter of keeping her job. She is the keeper of the phoenix and the future of a species now rests on her shoulders. There's just one thing she has to remember: she is also not alone. Against an epic fantasy backdrop teeming with all your favourite mythical beasts from dragons and unicorns to kelpies and krakens, *The Phoenix Keeper* combines the cozy fantasy stakes of T.J. Klune and Travis Baldree with the heartwarming contemporary romance of Alice Oseman and Casey McQuiston.
