The Jane Addams Children's Book Award Susan C. Griffith, 2013-09-05 Jane Addams 1860-1935 was an inspired activist who struck at the roots of social injustice through persistent and thoughtful action advocating for reforms in sanitation housing and work conditions and child labor In 1915 Addams founded the Women's International League for Peace and Freedom WILPF and in 1931 she became the first American female recipient of the Nobel Peace Prize Eighteen years after Addams's death members of the WILPF created the Jane Addams Children's Book Award Presented annually the award honors children's books that invite readers to think deeply about peace social justice world community and equality for all races and genders The Jane Addams Children's Book Award Honoring Children's Literature for Peace and Social Justice since 1953 is the first book to examine the award as well as its winners and honor books In this volume Susan C Griffith reviews and synthesizes Addams's ideas and legacy so that her life and accomplishments can be used as a focal point for exploring issues of social justice through children's literature In addition to a history and overview of the award this work contains annotated bibliographies with thematically arranged winners and honor books bestowed in Addams's name Supporting literature study in classrooms and integrating points of reflection drawn from the activist's life The Jane Addams Children's Book Award is an invaluable resource for educators students and librarians

Children's Picture Books about Refugees and Campbell's Monomyth Eseta Tualaulelei, Martin Kerby, Margaret Baguley, Alison Bedford, 2025-07-14 This book explores the portrayal of refugee experiences in children's picture books using insights from Joseph Campbell's *The Hero with a Thousand Faces* Chapter 1 considers this emerging genre of children's literature within its social and educational context and explains how the narratives embedded within these books were examined Chapter 2 cites key studies in the field of children's picture books about refugees to uncover common narrative arcs characterisations themes and educative value Remaining chapters detail the three core elements of Campbell's canonical narrative arc to review how the experience of refugees is presented in modern picture books using this familiar narrative structure as a means of exploring a humanitarian issue with overt political overtones In so doing the authors employ an innovative means of analysing picture books that deal with refugees by positioning them within a familiar narrative arc that belies the fear of difference they may otherwise represent
