Rush Week Michelle Brandon, 2025-07-22 An irresistible, juicy contemporary novel based on the TikTok phenomenon BamaRushTok about four sorority sisters brought back to the top tier house they ruled at the University of Alabama when secrets they'd thought long buried threaten to resurface. Four sorority sisters. Each with dark secrets. They must stop the unexpected opening of a time capsule created as part of a sorority rush ritual that was supposed to hold their deepest secrets buried forever. Five years after they thought they'd said goodbye forever, a group of sorority sisters find themselves back at the University of Alabama for Rush Week. Some return to rekindle their friendships and others to keep long silent secrets from being exhumed. Unbeknownst to them at the time the infamous Spill Book they wrote confessions in as a trust hazing exercise over the years was placed into a time capsule; now it's been stolen and the anonymous thief is threatening to expose them all on Bid Day. Rush Week is a juicy, wild drama packed novel filled with good and not so good girls behaving badly, dark humor, and sexy scandals. As the sisters navigate their present and not so distant past, unbreakable bonds of friendship are put to the test and regrettable mistakes threaten to change everything if exposed. But perhaps if they confess their sins to each other, they can begin to mend not only themselves but their sisterhood before the world finds out just how wicked they are.
