Case File 13 2 Making The Team:

Case File 13 #2: Making the Team J. Scott Savage, 2015-06-23 With thrills chills and laughs on every page plus a boy girl rivalry that will leave you in stitches this is one frighteningly funny book you don't want to miss In this second book in a middle grade series that's sure to please young readers looking for a thrill Kirkus Reviews starred review three monster obsessed friends must take on a mad scientist who is literally stitching together a Frankenstein esque football team Nick Carter and Angelo are back to monster business as usual They're even filming a monster movie for a school project on Building a Brighter Tomorrow There's a connection there somewhere they swear But when a new private school arrives in town boasting a football team that's inhumanly good the boys start to suspect they may have a real monster mystery on their hands And what's worse they may need help from their girl rivals Angie Tiffany and Dana to get to the bottom of it *Civil Rights Enforcement by the Department of Education* United States. Revenue on Intergovernmental Relations of ..., 93-2,... United States. Congress. Senate. Government Operations, 1974 Reasons to Doubt Carolyn Hoyle, Mai Sato, 2019-01-10 This book reveals what happens to applications for post conviction review when those in England Wales and Northern Ireland who believe they are wrongfully convicted apply to the Criminal Cases Review Commission the only body that can refer a case back to the Court of Appeal once appellants opportunities for direct appeal are exhausted While the Court is obliged to hear all such referrals the Commission can only refer a case where it believes there is a real possibility that the Court will quash the conviction The first empirical study of all stages of decision making within the Commission this book starts from the premise that the test applied by the Commission the real possibility test is not inflexible Though created by statute and refined through case law it must be determined on a case by case basis drawing too on cultural and structural variables alongside fresh evidence gathered by the Commission Through in depth analysis of case files and interviews Hoyle and Sato scrutinize the Commissions operational practices its working rules and assumptions considering how these influence its understanding of the real possibility test Situating their rich empirical data within a framework of the Commissions social organizational and legal contexts this book demonstrates that in its open ended investigations there is considerable scope for discretion for thorough exploration of all possible avenues or for choosing a more superficial consideration of a case It emerges that while structured internal guidance drawing heavily on Court jurisprudence shapes decision making creating consistency in approach there remains some variability across cases over time that can be accounted for by the different professional backgrounds and personalities of Commission staff **Research Handbook on Plea Bargaining and Criminal Justice** Máximo Langer, Mike McConville, Luke Marsh, 2024-04-12 Bringing together established and emerging scholars from around the world the Research Handbook on Plea Bargaining and Criminal Justice examines the practice of plea bargaining through which guilty
