patients to apply and document evidence based assessments and to advocate for improved quality and safe care for all
patients Much has happened since Integrated Case Management ICM now Value Based Integrated Case Management VB
ICM was first introduced in the U S in 2010 The Integrated Case Management Manual Valued Based Assistance to Complex
Medical and Behavioral Health Patients 2nd Edition emphasizes the field has now moved from complexity assessments to
outcome achievement for individuals patients with health complexity It also stresses that the next steps in VB ICM must be to
implement a standardized process which documents analyzes and reports the impact of VB ICM services in removing patient
barriers to health improvement enhancing quality and care coordination and lowering the financial impact to patients
providers and employer groups Written by two expert case managers who have used VB ICM in their large fully disseminated
VB ICM program and understand its practical deployment and use the second edition also includes two authors with
backgrounds as physician support personnel to case managers working with complex individuals This edition builds on the
consolidation of biopsychosocial and health system case management activities that were emphasized in the first edition A
must have resource for anyone in the field The Integrated Case Management Manual Value Based Assistance to Complex
Medical and Behavioral Health Patients 2nd Edition is an essential reference for not only case managers but all clinicians and
allied personnel concerned with providing state of the art value based integrated case management *Case Manual* J.I.
