Together Strong Karen Erickson, 2011-08 One Man s Fight with Cancer Unfolds in an Inspiring True

Story Author shares a journey of faith community care and human struggles through cancer Karen Erickson and her family are no strangers to health issues like most everyone In 2009 she and her husband Kevin were completely shocked to find out that he had Multiple Myeloma cancer It hit his family friends and communities hard when they heard the news The medical treatment and rarely seen reactions that Kevin had endured were severe and are written in great detail What could go wrong did go wrong Karen shares their story of struggles and the emotional rollercoaster that the family endured and learned from Together Strong is an inspiring story and journal of one man s fight to live As you read this book you will be moved to look deep within yourself as to what your priorities are what your goals in life will be and how God does fulfill his promises and hears our prayers You will be uplifted as you recognize the many things that were done for them You will also be motivated of what you can do for someone in need *Proceedings of the British Psychological Society* British Psychological Society,2003

Implicit Memory Peter Graf,Michael E.J. Masson,2013-12-02 The immense growth of research on implicit and explicit memory is making it difficult to keep up with new methods and findings to gauge the implications of new discoveries and to ferret out new directions in research and theory development The present volume provides a status report of work on implicit and explicit memory in the three areas that have contributed the bulk of what is known about this domain cognitive psychology lifespan developmental psychology and neuropsychology Highlighting developments in methods critical findings and theoretical positions this volume outlines promising new research directions By so doing it provides the reader with a multi disciplinary perspective on implicit and explicit memory and thereby enables a cross fertilization of ideas and research The chapters that make up this volume were written by experts on the topic of implicit and explicit memory These contributors were asked to write for a broad audience for their colleagues from allied disciplines for new researchers for advanced undergraduate and graduate students to help them gain a comprehensive overview of the mushrooming research on this topic grasp the most fundamental empirical and theoretical issues and focus on new research directions

Protecting Children Online? Tijana Milosevic,2018-02-23 A critical examination of efforts by social media companies including Facebook Twitter Snapchat and Instagram to rein in cyberbullying by young users High profile cyberbullying cases often trigger exaggerated public concern about children s use of social media Large companies like Facebook respond by pointing to their existing anti bullying mechanisms or coordinate with nongovernmental organizations to organize anti cyberbullying efforts Do these attempts at self regulation work In this book Tijana Milosevic examines the effectiveness of efforts by social media companies including Facebook Twitter YouTube Snapchat and Instagram to rein in cyberbullying by young users Milosevic analyzes the anti bullying policies of fourteen major social media companies as recorded in companies corporate documents draws on interviews with company representatives and e safety experts and details the roles of nongovernmental organizations examining their ability to provide critical independent advice She draws attention to lack of transparency in how companies handle bullying cases emphasizing the need for a continuous independent evaluation of

effectiveness of companies mechanisms especially from children s perspective Milosevic argues that cyberbullying should be viewed in the context of children s rights and as part of the larger social problem of the culture of humiliation Milosevic looks into five digital bullying cases related to suicides examining the pressures on the social media companies involved the nature of the public discussion and subsequent government regulation that did not necessarily address the problem in a way that benefits children She emphasizes the need not only for protection but also for participation and empowerment for finding a way to protect the vulnerable while ensuring the child s right to participate in digital spaces
