Corporate Invasion Teresita E Dziadura, 2021-05-16 Jason is a normal call center worker at a normal call center You know the type you've probably worked at them The type of place you tell yourself you'll be at for six months and then blink and it has been six years The type of place that takes over your brain and makes you one of the drones He hates his boss He has a friend he relaxes with between calls He sits near a nice girl named Amanda he's been thinking about asking out All said Jason has a stereotypical case of the Call Center Blues and he doesn't see it getting better any time soon That changes the moment he realizes that his job isn't like every other it's run by an evil group

of alien invaders infiltrating the human race with body snatching parasitic organisms that actually are taking over his brain Jason must become more than he was in order to stop the threat of invasion to his planet He thought the company he worked for was unremarkable but they thought the same of him They both made a terrible mistake Can Jason become what he needs to to save his friends and his world *The Killing Star* Charles Pellegrino, George Zebrowski, 2024-01-23 A near future thriller of a devastating alien invasion from the paleontologist who inspired Jurassic Park and the award winning science fiction author There were always those who disagreed with broadcasting signals into the deepest reaches of outer space because our mere existence could be taken as a threat They were right to be concerned In the spring of 2076 just days short of America s tricentennial celebrations every inhabited surface in the solar system gets wiped out by a catastrophic storm of relativistic bombs flaming swords that pierced the sky The only two survivors left on Earth exist in a submersible that had been exploring the Titanic s final resting place on the bottom of the North Atlantic In space only the settlers in small asteroid based colonies have gone unnoticed by the aliens for now But any sign of life any call for help might bring the Intruders straight to them These far flung survivors are now on their own stalked by a ruthless faceless enemy straight out of the nightmares of humanity s greatest minds those lone voices whose warnings went ignored A novel of such conceptual ferocity and scientific plausibility that it amounts to a reinvention of that old Wellsian staple alien invasion The New York Times Book Review Relentless The ultimate disaster novel A thought experiment and warning The Denver Post A whirlwind of ideas full of action and danger Pellegrino and Zebrowski are working territory not too far removed from Arthur C Clarke s and anywhere Clarke is popular this book should be too Booklist

Orders Johnnie West,2022-02-07 Do you know the four types of aliens that have hidden themselves amongst governments and armed services throughout the world No Well neither did Air Force Captain Scott Ryan until one night when he encountered a UFO while flying a training mission and was ordered by his superiors to forget what he saw When Scott learns that airmen at his base had been experiencing the same thing he did for years he ignores the order and begins digging deeper Scott s investigation quickly snowballs from innocent research into revelations of a covert war between humans and aliens and a full blown government conspiracy and coverup With a group of aliens known as the Naturals going extinct they are creating more and more alien human Hybrids to ensure their survival a process that threatens human free will and existence With the survival of both humans and aliens at stake Captain Ryan suddenly becomes the only man with enough knowledge to stop the Naturals or to join them Winner of two 2022 BookFest awards recognizing best science fiction and fantasy books and a 2022 Literary Titan Book Award

The Alien Years Robert Silverberg,1998-08-05 Science fiction roman *The War of the Worlds (1898). By: H. G. Wells* H. G. Wells,2018-04-25 The narrative opens by stating that as humans on Earth busied themselves with their own endeavours during the 1890s aliens on Mars began plotting an invasion of Earth to replenish their limited resources In 1899 the narrator is invited to an astronomical observatory at Ottershaw where explosions are seen on the surface of the planet Mars creating much interest in the scientific community Later a meteor lands on Horsell Common near the unnamed narrator s home in Woking Surrey He is among the first to discover that the object is an artificial cylinder that opens disgorging Martians who are big and greyish with oily brown skin the size perhaps of a bear each with two large dark coloured eyes and lipless V shaped mouths which drip saliva and are surrounded by two Gorgon groups of tentacles The narrator finds them at once vital intense inhuman crippled and monstrous 7 They briefly emerge have difficulty in coping with the Earth s atmosphere and gravity and rapidly retreat into their cylinder A human deputation which includes the astronomer Ogilvy approaches the cylinder with a white flag but the Martians incinerate them and others nearby with a heat ray before beginning to assemble their machinery Military forces arrive that night to surround the common including Maxim guns The population of Woking and the surrounding villages are reassured by the presence of the British Army A tense day begins with much anticipation of military action by the narrator After heavy firing from the common and damage to the town from the heat ray which suddenly erupts in the late afternoon the narrator takes his wife to safety in nearby Leatherhead where his cousin lives using a rented two wheeled horse cart he then returns to Woking to return the cart when in the early morning hours a violent thunderstorm erupts On the road during the height of the storm he has his first terrifying sight of a fast moving Martian fighting machine in a panic he crashes the horse cart barely escaping detection He discovers the Martians have assembled towering three legged fighting machines tripods each armed with a heat ray and a chemical weapon the poisonous black smoke These tripods have wiped out the army units positioned around the cylinder and attacked and destroyed most of Woking Sheltering in his house the narrator sees a fleeing

artilleryman moving through his garden who later tells the narrator of his experiences and mentions that another cylinder has landed between Woking and Leatherhead cutting off the narrator from his wife. The two try to escape via Byfleet just after dawn but are separated at the Shepperton to Weybridge Ferry during a Martian afternoon attack on Shepperton. One of the Martian fighting machines is brought down in the River Thames by artillery as the narrator and countless others try to cross the river into Middlesex as the Martians retreat back to their original crater. This gives the authorities precious hours to form a defence line covering London. After the Martians' temporary repulse, the narrator is able to float down the Thames in a boat toward London, stopping at Walton where he first encounters the curate, his companion for the coming weeks.
