Samuel Rees Howells, A Life of Intercession Richard A. Maton, Paul Backholer, 2018-02-01 Samuel Rees Howells A Life of Intercession The Legacy of Prayer and Spiritual Warfare of an Intercessor by Richard A Maton Paul Backholer and Mathew Backholer Rees Howells a powerful intercessor taught his son Samuel the principles of intercession and commissioned him some weeks before his death stating Whatever you do stand and maintain these intercessions For the next fifty four years Samuel Rees Howells exercised a powerful intercessory ministry as he focused prayer on gospel liberty in order for the good news of the Gospel of Jesus Christ to be given to every creature With the mantle of intercession weighing heavily upon him Samuel spent decades participating with others in their own countries in profound spiritual struggles that shook world events and shaped history for God's glory

Discover how Samuel was led by the Holy Spirit to exercise authority over the principalities and powers and to pray through until God's purposes were fulfilled in many lethal world conflicts. Learn how God still intervenes in world history from the Korean War to the Cuban Missile Crisis and from the Six Day War to the fall of the Soviet Union. Beginning in the days of Rees Howells this book continues this powerful story of intercession and traces its effectual legacy into the twenty first century. Filled with principles of intercession faith and spiritual warfare this book provides a fascinating insight into what is possible when the Holy Spirit finds an individual who will stand in the gap and become a channel for His intercession. Ezekiel 22:30, Romans 8:26-27, Ephesians 6:12. Richard A Maton worked under Samuel's ministry for forty seven years and provides us with an eyewitness account of Samuel's life of intercession. Richard is married to Kristine who joined Rees Howells Bible College in 1936 and prayed alongside him. Together Richard and Kristine spent more than 120 years at the College.

Literature and Social Media Bronwen Thomas, 2020-01-31. From Instapoetry to BookTube contemporary literary cultures and practices are increasingly intertwined with social media. In this lively and wide ranging study Bronwen Thomas explores how social media provides new ways of connecting with and rediscovering established literary works and authors while also facilitating the emergence of unique and distinctive forms of creative expression. The book takes a 360 approach to the subject combining analysis of current forms and practices with an examination of how social media fosters ongoing collaborative discourse amongst both informal and formal literary networks and demonstrating how the participatory practices of social media have the potential to radically transform how literature is produced, shared and circulated. The first study of its kind to focus specifically on social media, Literature and Social Media provides a timely and engaging account of the state of the art while interrogating the rhetoric that so often accompanies discussion of the new in this context.
