**Writers' Handbook 2025** J. Paul Dyson, 2024-12-15 The 2025 edition of firstwriter.com's annual directory for writers is the perfect book for anyone searching for literary agents, book publishers or magazines. It contains over 1,500 listings including revised and updated listings from the 2024 edition and over 300 brand new entries. Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 6,000 authors and tells you who represents them or who publishes them or both. The number of genres in the index has expanded to over 900. So for example, while there was only one option for Romance in previous editions, you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance or even Amish Romance. The new edition includes Over 650 literary agents and agencies, Over 450 magazines and Over 500 publishers that don't charge fees. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries. With more and more agents, publishers and magazines accepting submissions online, this international outlook is now more important than ever. There are no adverts, no advertorials and no obscure listings padding out hundreds of pages. By including only what's important to writers, contact details for literary agents, publishers and magazines, this directory is able to provide more listings than its competitors at a lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2026. This means you can get free access to the firstwriter.com website where you can find even more listings and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured, saved searches, competitions, listings, searchable personal notes and more. I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now. Robin Wade, literary agent at the Wade Doherty Literary Agency Ltd and long term firstwriter.com subscriber.

*The Series Blueprint* Heather Cardona, 2026-01-06 Plotting a series isn't just plotting one book repeatedly. It's a different creature entirely. If a standalone novel is a sprint, a series is a marathon, one with shifting terrain, expanding casts, escalating stakes and the constant fear that you've written yourself into a corner by Book Three. *The Series Blueprint* is your long range guide to building a series that actually works from the first book to the final payoff. This isn't a book of rigid formulas or paint by numbers outlines. It's a strategic framework for thinking like a series writer, planning with intention, pacing with purpose and designing stories that grow instead of collapse under their own weight. Inside you'll learn how to Design a series with a clear destination before plot drift takes over. Choose the right series structure for your genre, audience and goals. Build book level arcs that serve a bigger long form story. Decide

between saga episodic or hybrid models with confidence Track character growth worldbuilding and continuity without overwhelm Balance creativity with strategy without killing your spark Finish a series feeling proud instead of burned out Whether you re planning your first series halfway through a tangled one or staring at a world that no longer makes sense The Series Blueprint meets you where you are Because a series isn t just multiple books It s one long story told in deliberate stages Plot it like one and your future self will thank you Probably with coffee **Discover Tina Folsom** Tina

Or should she side with Lad and the Light Court who appear to have the welfare of humans in mind?
