The Catching Point Transformation J. David Prologo MD, 2022-01-11 Dr Prologo targets sustainability He elevates our science based weight loss programs by keeping people engaged Arthur Agatston MD author of The South Beach Diet Ninety nine percent of diets fail because our bodies resist the change in the name of survival Stop with the rice cakes and boot camp already we are starving to death It s like holding your breath underwater We can endure it for a short time against the body s will to survive but the longer you stay there the louder and more crushing the signals get until you finally burst to the surface for air or into a fast food restaurant the pantry or a refrigerator in the case of dieting The Catching Point Transformation was created to ease this transition and quiet the body s resistance so that everyone can have fun feel confident and be successful when engaged with healthy living It levels the playing ground for those who are trying to make a change with those who are already lean Dr Prologo understands and believes you when you say no diet works for me and so has finally created a different approach

Catching the Big Fish David Lynch, 2007-12-27 In this unexpected delight filmmaker David Lynch describes his personal methods of capturing and working with ideas and the immense creative benefits he has experienced from the practice of meditation Now in a beautiful paperback edition David Lynch s Catching the Big Fish provides a rare window into the internationally acclaimed filmmaker s methods as an artist his personal working style and the immense creative benefits he has experienced from the practice of meditation Catching the Big Fish comes as a revelation to the legion of fans who have longed to better understand Lynch s personal vision And it is equally compelling to those who wonder how they can nurture their own creativity Catching Ideas Ideas are like fish If you want to catch little fish you can

stay in the shallow water But if you want to catch the big fish you ve got to go deeper Down deep the fish are more powerful and more pure They re huge and abstract And they re very beautiful I look for a certain kind of fish that is important to me one that can translate to cinema But there are all kinds of fish swimming down there There are fish for business fish for sports There are fish for everything Everything anything that is a thing comes up from the deepest level Modern physics calls that level the Unified Field The more your consciousness your awareness is expanded the deeper you go toward this source and the bigger the fish you can catch from *Catching the Big Fish* *Full Stack JavaScript Strategies* Milecia
