were amazed and began to say Mother Cabrini was a saint but she said that that was nonsense and that her only secret was perfect obedience and trust in God Years ago she had said that even the whole world was too small for her missionary desires now it was clear that this was true She was helping to save many souls After many years Mother Cabrini became a United States citizen Then after she died in 1917 so many miracles took place that the Pope declared her a saint Thus the little Italian girl who wanted to go to China was the very first U S citizen ever to become a canonized saint
