She escapes her loneliness by reading steamy romance stories and indulging in fantasies about A J Trager, a powerful billionaire and the untouchable CEO of his family's corporate empire. When Sierra does date, she sticks to safe choices, opting for nice, predictable men who do not expect sex on the first date and who rarely challenge her emotionally. That carefully controlled approach begins to unravel the moment she meets A J, a notorious bad boy billionaire who is known for his charm, his confidence, and his refusal to commit to any woman for longer than a couple of months. He has never dated a curvy woman before, and Sierra assumes she would never be his type. As A J spends more time with Sierra, his casual interest turns into something far more intense and consuming than he anticipated.
