Media, Migrants, and U.S. Border(s) Rubria Rocha de Luna, Jacob Bañuelos Capistrán, 2026-01-01 The relationship between migration and media has become an essential topic of study due to its ethical and civil responsibility implications particularly in today's digitalized global environment The media's narrative on world and regional politics local and global economy religion war and civil conflicts affects the experience of migration and diaspora In response artistic representations and cultural interventions have become forms of activism resistance and confrontation against the narrative of power Likewise the digital space began to be used more intensely as a place of activism for migrants and civil society interested in their human rights For instance digital archives such as Humanizing Deportation and social media are used to do activism the first one through digital storytelling where migrants can express their deportation stories on video and the second one uses digital circulation to create community and as a call for action Artistic Technological interventions such as Playas de Tijuana Mural 2019 use art and technology to protest the politics of migration by portraying family separation Theater intermedial performances use virtual spaces to represent distance and the resistance to it Cinema shows the social and political implications of their visual narrative Finally new practices concepts and models in AI journalism and internet freedom have created a rhetoric that could benefit migrants Migration is usually seen through numbers statistics graphics and quantitative data which dehumanizes migrants With this book we aim to contribute to the knowledge of the phenomena through the lenses of a more humanistic approach to activism in digital media in the Hispanic world We propose chapters that explore the activism of migrants and civil society committed to them from a critical perspective This book intended to be read by students researchers and the public interested in migration presents interdisciplinary approaches to activist narratives art and digital It explores diverse types of migrations and related phenomena such as deportation voluntary return caravans the Cuban diaspora US childhood arrivals and the particularities of the Southern U S border These topics are analyzed in essays on race politics theater film music painting journalism multimedia digital archives social media storytelling and artificial intelligence In the abstracts you will find diverse perspectives on how digital media act as platforms that allow horizontal activism which is a direct response at the same level as the rhetoric of power Likewise the proposed essays enable us to reflect on the role of arts and media in favoring the expression of the migrant community and those who share a common feeling Still in the same way we will see how digital media if misused can also harm vulnerable communities Work by newer and established migration studies digital culture scholars and scholars from both sides of the US Mexico border and other latitudes is incorporated providing a comprehensive overview of the intersection between migration media and arts in Latin America The book will consist of an Introduction and 13 chapters divided into three sections 1 Media and Digital Media Artists Activism 2 Migrant Activists Online and 3 Activism through New Constructive Practices Editors Rubria Rocha de Luna Postdoctoral Researcher Tecnológico de Monterrey Jacob Bañuelos Capistrán Professor Tecnológico de

Monterrey **Public Governance on the Blockchain** Usman W. Chohan, Sven Van Kerckhoven, 2026-02-18 The emergence of blockchain technologies has unlocked a myriad of possibilities for reshaping governance systems from the grassroots level of micro governance to the broader scope of national and transnational governance In an era marked by persistent governance challenges there is a profound desire for governance that is optimal inclusive participatory and efficient across various scales of analysis all of which might be improved by the adoption of distributed ledger technology However the adoption of blockchain for governance purposes particularly in public governance lags behind other applications such as cryptocurrencies and decentralized finance What impedes this adoption Are existing governance systems deemed sufficient by key stakeholders Is inertia or cost hindering the transformation through blockchain innovations Or has the potential of blockchain in public governance been overstated This book aims to address these questions comprehensively by leveraging the expertise of interdisciplinary scholars who undertake a holistic examination of the role potential and limitations of blockchain technologies in public governance Through conceptual frameworks real world case studies and forward looking insights the book navigates towards more optimal outcomes soliciting stakeholder inputs and refining concepts along the way By presenting diverse perspectives from various disciplinary angles including public administration public policy computer science economics philosophy and innovation governance the book offers valuable insights for a wide ranging audience of scholars and practitioners alike

Zeddy Will's Yup & I Do Revolution Seaun Walker,2025-07 In Zeddy Will s Yup I Do Revolution How a Queens Born Anthem and Its Viral TikTok Dance Took Over Summer 2025 Lessons Legacy readers dive into the electrifying story of how a kid from Queensbridge New York turned a catchy song into a global phenomenon This book chronicles Zeddy Will s rise from a local YouTube creator known as CBANDZZZ to a hip hop sensation whose anthem Yup I Do dominated Summer 2025 with over 300 000 TikTok dance videos and a show stealing

performance at Hot 97's Summer Jam. Blending raw storytelling with practical insights, it's a must-read for music lovers, dreamers, and anyone curious about the power of social media and hustle in today's world.

Insight into the Table of Contents

The book unfolds across six chapters, each capturing a key piece of Zeddy's journey. Chapter 1 traces his roots in Queensbridge, his early days posting skits and freestyles, and his grind to find his unique sound. Chapter 2 dives into the creation of 'Yup I Do,' blending Memphis bounce with New York flair and its initial release that sparked a buzz. Chapter 3 explores the TikTok dance craze, showing how Zeddy's simple moves turned the song into a global sensation. Chapter 4 relives his epic Summer Jam 2025 performance, where he shares stages with stars like Cash Cobain and Jim Jones. Chapter 5 breaks down lessons from his success, like mastering platforms and staying authentic. Chapter 6 examines the song's lasting impact on hip-hop club culture and future artists, with a look at Zeddy's next steps.

Key Points

- From Nothing to Everything:** Zeddy's journey shows how an independent artist with no major label can dominate using platforms like TikTok and YouTube.
- Cultural Impact:** 'Yup I Do' wasn't just a song; it was a movement uniting people worldwide through dance and joy.
- Authenticity Wins:** Zeddy stayed true to his Queensbridge roots, proving you don't need to change to succeed.
- Blueprint for Success:** His story offers practical strategies for leveraging social media, engaging fans, and seizing big moments that anyone can apply.
- Why It Matters:** Zeddy's story matters because it's a modern underdog tale showing how talent, hustle, and heart can break through in a digital age. It highlights the power of platforms like TikTok to amplify voices from the streets to the global stage, reshaping how music and culture connect.

His influence on hip-hop and club scenes underscores a shift toward inclusive, community-driven art.

Benefits for Readers

Readers will walk away inspired with a playbook for chasing their own dreams. Whether you're an aspiring artist, entrepreneur, or just love a good story, you'll learn how to use social media smartly, stay true to yourself, and turn small moments into big wins.

Packed with energy and real-world tips, this book is a vibe that motivates and entertains.
