**Popular Culture in South Asian Context** Akshaya Kumar, Raj Thakur, 2025-11-10 The volume examines popular sensibilities via textual visual performative spatial digital frames of inquiry and critical social political issues in South Asia. It highlights the interface between cultural studies and its popular political standpoints and interrogates the kaleidoscope of popular imaginary as well as its conceptual problematics through distinct case studies from the region. It leads learners towards the unfounded territories of popular culture studies in South Asia. With chapters by major scholars in the field the book uses theoretically comprehensive and empirically varied case studies to re evaluate the central questions of epistemology methodology and approaches to popular culture studies from non Western cultures perspectives. **Literature and the Bible** David Bevan, 2023-12-18 [War, Nation and Europe in the Novels of Storm Jameson](#) Katherine Cooper, 2020-04-16 The novels of Storm Jameson and their depictions of Britain's relationship to Europe around the Second World War represent a crucial departure from the work of her contemporaries. As the first female President of English PEN Jameson led her country's wartime literary community through turbulent times in history by focusing on European rather than pointedly British experiences of war. War Nation and Europe in the Novels of Storm Jameson is a timely critique situated within the historical and theoretical contexts so fundamental to understanding her work. Presenting previously unpublished archival material that documents her work as an ambassador for British writers during a time of national upheaval Katherine Cooper reveals how the novelist's pacifism and evolving attitudes to war and peace were underpinned by her overarching vision for the post war world. Drawing comparisons to the works of Virginia Woolf Arthur Koestler Graham Greene and others this study shows how Jameson's novels gesture towards prevalent internationalist perspectives and reshapes how we view the literary history of the period
