What's the number one thing we all want more of? TIME. Time is our most valuable, precious, and limited commodity and the key to lasting happiness and success. The TIME CLEANSE™ is a proven system that shows you how to do more, get more, be more by changing your relationship with time and get back 20 hours a week or more of your free time as a result. Learn how you can squeeze every drop of productivity out of each hour of your day so you can gain the freedom to do what you want when you want. In *The Time Cleanse*, Steven Griffith will help you realize that time is not the real reason we're stuck, stopped, or struggling to reach our goals. It's the fact we are relying on outdated time management strategies that no longer work in today's technology-driven world. We need to change how we look at our relationship with time, and *The Time Cleanse* does exactly that by showing you how to get time back on your side. By implementing the groundbreaking principles of *The Time Cleanse*, you will learn to eliminate the time toxins and contaminants that have been stealing your time, energy, and focus while also increasing your productivity and improving your performance. By adding time to your day, you will finally have time to grow your business, spend time with loved ones, advance your career, improve your health and fitness, or just relax and enjoy life. It's time to take control of your life and your future. It's your time right now to **MAKE YOUR MOVE**. *Instagram For Business For Dummies*, Jenn Herman, Eric Butow, Corey Walker, 2021-01-20. Put your best brand story in front of 1 billion users. One of the most energetically social of the major social media platforms, Instagram has the highest brand engagement rate of them all. Throw in the app's more than 1 billion active monthly users and its powerful business tools, including shoppable posts, devoted business profiles, and advanced analytics, and you have an unmissable opportunity to tell a gripping story that bonds you with your customers and makes your business an integral part of their social media lives. The latest edition of *Instagram For Business For Dummies* puts you in the picture on how to showcase your product, craft your narrative, and gather insight into how your customers experience and react to your business. Presented in straightforward, practical language by three Instagram and marketing gurus, you'll swiftly go from setting up your account and profile to applying strategies for writing winning captions and creating content that delivers super-engaged customers. Set up your account, profile, and analytics. Upload content and get smart with IG Stories and live video. Build and target paid advertising. Master the art of the hashtag. Whatever your current Instagram skill level, there's always somewhere new to take you. It's the story of your business, and there's no better way to begin a gripping new chapter in that story than with this book. [Get Your First 10,000 Instagram Followers Like a Boss](#), Daniel Ndukwu, 2017-06-15. Full Color Version. How would your life change with thousands of new leads and hundreds of new customers every month? OR the ability to make hundreds every time you post? How would it change if hundreds of thousands or even millions of people interacted with your brand every week? Online changes are happening at a breakneck pace. Some things will last, and some are gone as soon as you get the hang of it. Instagram is one of the few platforms which will be around for years to come. Every day, over 80 million images and videos are uploaded to

the platform It has up to 60x more engagement than Facebook and Twitter More people take action after seeing an advertisement call to action and giveaway than almost every other social media platform out there The potential for individuals and brands alike to make a healthy living or increase their revenue is multiplied 700 million times with Instagram With great potential comes great competition Yes there are 700 000 000 people using Instagram There are also thousands of brands big and small vying for their attention How do you stand out and amass tens of thousands of followers and make a healthy income in the process That s the question everyone who opens an account struggles to answer Most people try for a few weeks but give up when they fail to crack their first 5 000 followers How do you know what your potential followers want How do you stay relevant How do you advertise while staying true to your brand How do you create viral competitions and a brand with true equity I m glad you asked This book was written to answer those questions and more For over a year I ve had the privilege of working with multiple brands both big and small to create Instagram accounts and campaigns that helped them reach their business goals Fashion jewelry fitness and business are just a few of the places I ve had the opportunity of testing initiatives and measuring results for clients We met with huge success Instagram works Period This book will break down the process of creating a compelling feed the perfect posts finding partners running viral contests and of course making money on and off the platform Even though it mentions 10 000 followers It s a complete guide to Instagram marketing Nothing is left out You ll learn The simple steps to uncover a limitless amount of post ideas so you ll always deliver the best content possible Who your competitors are so you ll know what s working in your specific niche right now How to set up a killer bio so people find you follow you and visit your website with no further action on your part How to create a mouthwatering feed and themes that resonate with your audience You ll learn the psychology of great content so you can upload the right posts every time How to encourage generate and curate user generated content so you have social proof happy customers and an almost endless supply of content to post Simple tweaks to increase post engagement by up to 100% The simple but unused call to action methods that ll increase your following and sales The seven creative elements every one of your posts should have You ll learn how to find partners and how much to invest for explosive growth The blueprint to structure your shoutouts for maximum impact and revenue Dozens of examples you can model to achieve your goals How to use Instagram Live and Instagram Stories to engage your audience and have them looking forward to you showing up in their feed So much more Get your copy today and join the ranks of people who ve made Instagram work
