Culture Clash Evolution Benjamin Long:

Culture Clash Benjamin Long, 2015-12-03 Cultural differences matter How profoundly they differ and how powerful these differences can be recounts Benjamin Long in his riveting first hand account of his sometimes hilarious and moving struggle to comprehend and adapt to life in a foreign land Mr Long's insightful chronicle explores the mechanics the nuts and bolts of what makes the American culture unique from any other in the world He provides a simplified way of grasping an otherwise complex subject drawing from his personal experiences to show real life examples of the problems that can develop when cultural differences are ignored or underestimated Ultimately *Culture Clash* is a story of hope survival and the human capacity to go beyond the boundaries of deep rooted cultural conditioning and self imposed limitations Unity, 1928
