**Far-Off Things** Edward John Moreton Drax Plunkett,2020-12-08 In Unhappy Far Off Things Edward John Moreton Drax Plunkett who is better known as Lord Dunsany weaves a rich tapestry of fantasy steeped in a melancholic yet enchanting atmosphere This collection of stories delves into realms of wonder where dreams and reality intertwine reflecting the early 20th century s fascination with the fantastical Dunsany s prose is characterized by lyrical beauty and whimsical narrative styles reminiscent of the mythic and surreal influences of medieval literature while also paving the way for modern fantasy The selection showcases the author s imaginative world building and intricate storytelling exploring themes of loss longing and the ephemeral nature of happiness Lord Dunsany an influential figure in the literary landscape was inspired by a deep appreciation for mythology and folklore His aristocratic background afforded him a unique perspective on life and storytelling which he translated into his works that often mirror his own inquiries into existence and escapism Dunsany s background as a playwright and poet further enriched his narrative craft allowing him to masterfully blend eloquence with fantastical elements that reflect both sorrow and delight Unhappy Far Off Things is an essential read for enthusiasts of fantasy and those intrigued by the exploration of human emotion amidst the fantastical Readers will find themselves transported into Dunsany s otherworldly landscapes making this collection a compelling addition to both personal libraries and scholarly discussions on fantasy literature **A Grayscale Gothic Fantasy Coloring Book** Rebecca Sinz,2020-09-24 This

is a grayscale coloring version of American fantasy artist Rebecca Sinz s debut coloring book A Gothic Fantasy Now this book has been released in a version for fans of grayscale coloring Grayscale coloring is a whole new way to color You can achieve a beautiful rich colored picture once finished with the gray shading underneath to use as a guide You color on top of it with whichever media is your favorite such as markers and colored pencils Many colored pencils are opaque enough to show up over darker areas of the image leaving you with so many possibilities Play with different techniques and media for different

effects You can have as much or as little of the grayscale image showing through as you'd like This book features 32 unique gothic fantasy women that includes angels fairies mermaids witches vampires elves and more This book includes two copies of each single sided coloring design allowing you to share or try different color combinations or techniques These coloring pages are appropriate for all experience levels And though this is considered an adult coloring book there is no nudity But the vampire images do contain some blood so use your best judgement for younger colorists It is great for all lovers of fantasy and the dark and mysterious

The Magazine of Fantasy & Science Fiction ,2008-06 **A Dark Night's**

**Dreaming** Tony Magistrale,Michael A. Morrison,1996 **A Dark Night's Dreaming** opens by defining the shape of horror fiction today illuminating the genre's narrative themes psychological and social contexts and historical development The core of the volume focuses on the lives and major works of the six who have dramatically shaped the genre William Peter Blatty Thomas Harris Stephen King Anne Rice Peter Straub and Whitley Strieber A final chapter analyzes the complex relationship between horror fiction and its adaptation to film Looking beyond the tormented maidens madmen monsters and other archetypes of the genre these critics differentiate contemporary Gothic fiction from that of earlier generations while demonstrating that horror remains one of the most important and consistent strains connecting the diverse elements of the American literary tradition They comment on the genre's enormous popularity and undeniable influence in American society and scrutinize its changing representations of women monsters and gore The volume concludes with an extensive bibliography of primary and secondary works
