

The background of the cover is a photograph of a person standing on the edge of a rocky mountain peak. The person is seen from behind, wearing a light blue shirt and dark pants, and holding a bag. They are looking out over a vast, hazy landscape under a bright, low sun, creating a warm, golden glow. The sky transitions from a deep blue at the top to a lighter, hazy blue near the horizon.

The Leadership Handbook Bomi Doctor, 2020-11-20 There are several types of leaders; however, essentially two variants: one who holds the designation of a leader and the other whose job demands leadership quality. You do not need to have a title to be a leader. A good leader is one who develops leaders under him. While a lot has been written on leadership, few if any by an Indian who has worn out the soles of his shoes in the Indian corporate world, from field to desk, to leadership. This is a great handbook for aspiring leaders and leaders as well, and has lots of practical examples that actually allow leaders referral points to navigate their own corporate attitude, associations, and path.
