**Kathleen A. Baxter, Marcia Agness  
Kochel**

## **Myth Retelling Novel Spotlight:**

*The Meaning of Myth in Uncertain Times* Evelien Bracke, 2025-12-29 This book examines how ancient mythology forms part of the stories we tell ourselves about today's uncertain times not only in popular culture but also in sociocultural and political debates It particularly explores the ways in which classical myths shape how our modern secular societies think about the interconnected geopolitical technological and ecological issues we are facing and our potential futures Classical myths like those of Achilles Medea and Odysseus are everywhere from films and novels to social media and games But how and why are we still fascinated with them particularly now Can these strange and often painful stories from societies so radically different from our own offer us genuine insights today This expanded English edition of Evelien Bracke's award-winning Dutch book *Leidraad door het labirint* explores how and why Greek and Roman myths despite their ancient origins are surprisingly meaningful in these times of uncertainty Bracke offers a contextualization and literary analysis of classical mythology looking at both texts and visual media This allows readers to gain a better understanding of how people draw inspiration from the past in their attempt to create a better future and how these stories provide both collective and individual guidance in navigating the turbulent 21st century *The Meaning of Myth in Uncertain Times* is suitable for students scholars teachers and general readers interested in mythology and ancient Greek and Roman history and culture providing insights that are relevant to the challenges we all face today

*Get Those Guys Reading!* Kathleen A. Baxter, Marcia Agness Kochel, 2012-05-07 Want to identify fiction books that boys in grades three through nine will find irresistible This guide reveals dozens of worthwhile recommendations in categories ranging from adventure stories and sports novels to horror humorous and science fiction books In *Get Those Guys Reading Fiction and Series Books that Boys Will Love* authors Kathleen A.
