Masculinities in Post-Millennial Popular Romance Eirini Arvanitaki, 2022-05-12 This book focuses on the projection of the hero s masculinity in a selection of post millennial popular romance narratives and attempts to discover if and to what extent this projection reinforces or challenges patriarchal ideas about gender In the majority of these narratives the hero is often presented as a hegemonic alpha male However hegemonic masculinity is not a fixed concept Rather it is subject to continuous change which allows for the emergence of various dominant masculinities Under a poststructuralist lens and through a close textual analysis approach and a gender reading of romance narratives the book suggests that to a certain extent the romance hero could be described as a platform onto which different forms of dominant masculinity are displayed and highlights that these masculinities do not necessarily clash depend on or function as a prerequisite for each other

Blind Side Kandi Steiner,2022-06-15 The hottest college football safety in the nation just asked me to be his fake girlfriend And I just asked him to take my virginity Clay Johnson has the abs of Adonis and the deadly smirk of the devil himself There s hardly a day he

s not headline material during football season and never a day he isn't a bullseye target for every girl on campus. He used to be the easiest of all the players for me to wrangle as the Public Relations Coordinator but after a nasty breakup with his high school sweetheart he's a mess. And a complete pain in my ass. We meet to discuss his behavior and review media relations standards. But when he witnesses how I fall to pieces in front of my guitar-toting crush, his wheels start turning. And he cooks up this absurd plan. He helps me get noticed. I help him make his ex jealous. All by pretending to be in a relationship. What he doesn't realize is that this bookworm is a virgin and far from versed in seducing a musician. So to sweeten the deal, I convince him to help me not just to get my crush's attention but to knock his socks off once I have it. But the more I come unraveled at the hands of Clay Johnson, the more trouble I have discerning what's fake and what's undoubtedly real, particularly the way my heart flutters every time that breathtaking man touches me. We set the rules. We put the safeguards in place. But they say rules are meant to be broken. They probably should have added that hearts are too. Blind Side is a spicy fake dating college sports romance with lessons and opposites attract. It is a complete stand alone.
