**Enjoy Self-publishing** Patty Jansen,2024-12-03 I ve self published for over ten years I ve seen the industry start take off and mature I ve seen tactics companies and people come and go However over that time a few important principles have always held true but in the morass of advice of varying quality it can be hard to separate the wheat from the chaff In 2017 I wrote the Unboxed books a series of four books about how to publish sustainably and by that I mean in a manner so that you can keep doing it long term and how to use your mailing list to set up a self perpetuating sales vehicle While the strategies haven t changed many of the peripheral situations have In short we have far more and better tools but far more competition not only from other authors on the sales front but also from services that entice us to spend ever more money before we publish This book is my ultimate guide to what you need what you can try and what is likely to be a waste of your money and time Over more than 500 pages I talk about the unvarnished experience of self publishing and selling books while keeping control of my catalogue and not funding anyone s private jet in advertising costs I wrote this book to pay it forward to the community I don t sell courses I don t do affiliate marketing I have no vested interest in anyone s self publishing journey Except for this I want you to enjoy it

**The Case Against the Sexual Revolution** Louise Perry,2022-05-16 Ditching the stuffy hang ups and benighted sexual traditionalism of the past is an unambiguously positive thing The sexual revolution has liberated us to enjoy a heady mixture of erotic freedom and personal autonomy Right Wrong argues Louise Perry in her provocative new book Although it would be neither possible nor desirable to turn the clock back to a world of pre 60s sexual mores she argues that the amoral libertinism and callous disenchantment of liberal feminism and our contemporary hypersexualised culture represent more loss than gain The main winners from a world of rough sex hook

up culture and ubiquitous porn where anything goes and only consent matters are a tiny minority of high status men not the women forced to accommodate the excesses of male lust While dispensing sage advice to the generations paying the price for these excesses she makes a passionate case for a new sexual culture built around dignity virtue and restraint This counter cultural polemic from one of the most exciting young voices in contemporary feminism should be read by all men and women uneasy about the mindless orthodoxies of our ultra liberal era Also available as an audiobook narrated by the author
