**The Excalibur Knights Saga Omnibus** Luke Mitchell, 2022-10-21 This isn't your grandma's King Arthur story. Nate Arturi isn't a knight in shining armor. He sure as hell isn't a king. The last time someone called him heroic it was because he fetched his neighbor's corgi off the roof. But when an ancient alien beacon awakens on Earth, sounding the call to enemies near and far, the Merlin is left with little choice. Ambushed by a hulking alien brute and tricked into accepting a foul-mouthed sword from a homeless wizard, Nate suddenly finds his senior year at Penn State more than a little out of hand. But when an armada of butt-ugly troglodans and exotic gorgon killers starts raining from the sky, one thing becomes inescapably clear: Unless he mans up and gets that damned beacon off of his planet, everything he knows is about to be burned to a crisp. And that's only the beginning of the galaxy's problems. Welcome to the Excalibur Knights Saga, a sprawling Arthurian space opera that follows the rise of Ser Nathaniel Arturi from reluctant and frankly terrible hero to the stuff of legends. If you love action-packed science fiction, snarky AI companions, and radical character growth, then secure your crash couches and prepare for 1,800 pages of epic sci-fi adventure. Included in the set: The Eighth Excalibur Book 1, The Black Knight Book 2, Spoils of War Book 3. Plus the following Excalibur Knights shorts, novelette, and serial: Flight of the Huntress, The Last Good Boy, The Complete Meyerwitz Logs, The Leftovers, Parts 1-4.

question remained unanswered How was he supposed to take down an entire planet Thrilling Plot twisting and mysterious  
ZeQuest explores the nature of a selfish world where nothing is ever what it seems to be Book 2 of the 1 Bestselling Space  
Opera Series The Quest Saga Author interview Q So what makes the Quest Saga so special A What makes this series special is  
that it dares to go beyond cultural norm and fuse together fantasy and science fiction an ideal that only Star Wars has pulled  
off so far Overall this is an action packed adventure that promises to be exciting and thrilling on every single page and I've  
made sure there's never a dull moment Q What kind of series is the Quest Saga A It's a mix of things basically which makes it  
really hard to select a proper genre for it I'd say it's primarily a Young Adult Space Opera book That makes you think it's  
Science Fiction which is partly true but this book has strong elements of Paranormal fantasy which is initially weird to think  
about I was very worried if people would like books which fused together dominant elements of both Fantasy and Science  
Fiction in a Space Opera Space Exploration world Then Scott Terry a NYT bestselling author of the Young Adult Science  
Fiction Series The Game is Life told me he read my books and said it resembled Star Wars a lot First of all that was an  
amazing comment to get from a Action Adventure Author like him and then there's the added advantage of finally figuring  
out a niche for my book So now instead of calling it a Young Adult Space Opera I'll be calling it The book that resembles Star  
Wars or maybe A young adult Dystopian space opera Q Why should readers give these books a try A Well I'd say if someone  
wanted a quick easy read with action packed adventures this is the novel for them Most people love space exploration  
adventures and this one combines them with another amazing story tool magic So if you want to know what would happen if  
magic existed in a high tech space world this is the book for you Q How many books are in the Quest Saga A I've planned this  
out to be a series of five books So far there are three stories and I'm actively writing the next two in the series ConQuest Get
