Viral TikTok Primer:

Emerging Technologies, Novel Crimes, and Security Hedi Nasheri, 2024-12-30 This book provides a holistic overview of the complexities of modern technological advances and their implications for crime and security. It examines the societal dilemmas that accompany these technologies, their strategic impact on geopolitics, governments, business, and civil society. The increasingly interconnected world gives rise to novel crimes and creates a new complex set of threats. Understanding this landscape is essential to strategizing for the prevention, protection, mitigation, and risk assessment of technology-related crime. Practical and approachable, this book builds knowledge and awareness of the impact of emerging technologies on crime and security among professionals, students, academicians, researchers, and policymakers.

Incoming Bianca de la Garza, 2024-10-22 Bianca de la Garza is a seasoned pro in speaking truth to power as a respected and authentic journalist. She always comes to the game prepared and professional. Her new book takes on the bias and dishonesty of what poses as news by dissecting how and why today's mainstream media has become fake news by trying to change the story rather than just reporting the story. I always enjoy repartee with Bianca because I know she'll be fair but tough. You'll love her book. You'll love her. Governor Mike Huckabee, Fmr Presidential Candidate, Arkansas Governor, and Host of Huckabee Cable News TV anchor Bianca De La Garza reports the news every day, twice a day. She's a journalist and a commentator, a conservative, a Christian, and a mom. The news is ugly, frightening, violent, insane, and relentless. Those in power are corrupt. The corporate media is corrupt. Corporate America is corrupt. Every day there is reason to despair. Yet every day there is also reason to hope. As Bianca reports daily and writes in this book, the foundation of America is stronger than the evil that attacks her every day. Conservative Americans must face this evil head-on and not back down. Conservative Americans hold tight to their families, faith, and values and know that they have the power to rise from the insane policies and propaganda that have created crime, inflation, indoctrination of American children, and open borders. The right is right, and every day more people are waking up to that truth and realizing that the radical Left is wrong and must be stopped. Everything we hold dear depends on it. Bianca is the person the mainstream media fears the most: a competent journalist who reports facts and doesn't play the role of an activist on air. Her book is an insider account of how the American dream is still alive and well; she's living proof of that, and I encourage everyone to grab their copy. Brilyn Hollyhand, RNC Youth Advisory Council Chair and Author. Bianca de la Garza is one of America's leading anchors and most successful journalists worldwide. As a truth teller and an avid researcher for the

deep end of stories she is known in US media as an accurate balanced and investigative media specialist not only on set but also as an uber influencer and an opinion maker Bianca has shown in her powerful career that she is the product of the American dream I have observed her work for years and consider her the best leader in high level conversations I strongly recommend her new book to acquire another advanced insight on the mechanisms and values inside the world of American media Get the book Dr Walid Phares Foreign Policy Expert and Author Bianca de la Garza has long been a dynamic force in broadcasting and her new book is no exception Drawing on her extensive experience as a show host and journalist she brings a unique perspective that is both thought provoking and deeply relevant Bianca s insight into the world of news and current events is as sharp as it is engaging making this book a must read for anyone looking to better understand the times we live in Her ability to connect with audiences shines through every page delivering a compelling narrative that is both informative and inspiring Matthew Whitaker Former Acting United States Attorney General Senior Fellow American Cornerstone Institute
