**Material Culture in America** Helen Sheumaker,Shirley Wajda,2007-11-07 The first encyclopedia to look at the study of material culture objects images spaces technology production and consumption and what it reveals about historical and contemporary life in the United States Reaching back 400 years Material Life in America An Encyclopedia is the first reference showing what the study of material culture reveals about American society revelations not accessible through traditional sources and methods In nearly 200 entries the encyclopedia traces the history of artifacts concepts and ideas industries peoples and cultures cultural productions historical forces periods and styles religious and secular rituals and traditions and much more Everyone from researchers and curators to students and general readers will find example after example of how the objects and environments created or altered by humans reveal as much about American life as

diaries documents and texts CRM ,1994 **Grant-Kohrs Ranch National Historic Site, Cultural Landscape Analysis, June 1987** United States. National Park Service. Rocky Mountain Regional Office,1987 **History and Material Culture** Karen Harvey,2013-02-01 Sources are the raw material of history but where the written word has traditionally been seen as the principal source today historians are increasingly recognizing the value of sources beyond text In History and Material Culture Karen Harvey embarks upon a discussion about material culture considering objects often those found surrounding us in day to day life as sources which can help historians develop new interpretations and new knowledge about the past Across ten chapters different historians look at a variety of material sources from around the globe and across centuries to assess how such sources can be used to study history While the sources are discussed from interdisciplinary perspectives each contributor examines how material culture can be approached from an historical viewpoint and each chapter addresses its theme or approach in a way accessible to readers without expertise in the area In her introduction Karen Harvey discusses some of the key issues raised when historians use material culture and suggests some basic steps for those new to these kinds of sources Opening up the discipline of history to new approaches and introducing those working in other disciplines to historical approaches this book is the ideal introduction to the opportunities and challenges of researching material culture **The Cultural Landscape** James M.
