Off: Your Digital Detox for a Better Life Tanya Goodin, 2018-03-13

Walk down any street, stroll through any park, step into a bar or restaurant and everyone is glued to their mobile devices. Many of us struggle with the near constant urge to check our phones; the average person interacts with their device more than 2,600 times a day and this dependence is affecting our relationships, our work and our quality of life. It seems the technology that was supposed to connect us has tipped us in the other direction, creating unnecessary stress and distance in our lives.

Off Your Digital Detox for a Better Life isn't about reverting to a tech-free way of life; it's about balance. Digital entrepreneur Tanya Goodin offers a guide that will free up hours of your time and lead you back to the pastimes and people you love. Learn to cultivate a healthier relationship with your digital devices by adopting simple practices that encourage mindfulness, deeper connection to others, more restful sleep and increased creativity. Illustrated with serene and inspiring photography, **Off** will help you free yourself from technology and be more present in your own life.

Digital Detox Gideon Rayburn, 2024-12-20

In a world dominated by screens, notifications and a constant stream of information, it's easy to lose sight of what truly matters. **Digital Detox: Reclaiming Your Life in a Hyperconnected World** by Gideon Rayburn offers a practical guide to stepping back from the digital noise and rediscovering a life lived with intention. This book doesn't promise a quick fix or a permanent escape from technology; after all, our lives and work often depend on these tools. Instead, it provides a thoughtful approach to taking a deliberate break, allowing you to form healthier habits and regain control over how you engage with the digital world. By detoxing, you'll learn to navigate social media and digital spaces on your own terms, rather than being driven by the relentless demands of the online world.

Digital Detox is for anyone feeling overwhelmed by their digital existence, seeking a meaningful reset and yearning for a more balanced life.
