Reading for Pleasure: International Perspectives Teresa Cremin, Sarah McGeown, 2025-03-19 Growing evidence of the vital role reading for pleasure plays in children and young people's academic outcomes and socio-emotional wellbeing has placed it high on the agenda in both educational policy and practice. This valuable collection draws upon a range of disciplinary perspectives and methodological approaches to explore how reading for pleasure is experienced and enacted and highlights the implications and benefits of such volitional reading in the lives and learning of children and young people. It offers contributions from leading international researchers on current evidence and literature within the field, identifying the causes and consequences of reading for pleasure and framing this within the context of understanding readers and applying this to developing effective pedagogical practices. With chapters examining how we may shape the reading experience, this book is divided into four sections: Understanding readers including factors such as motivation, gender, and identity; The nature of texts including fiction, sensory, and digital texts; Pedagogies and practices exploring agency, book talk, and reading aloud; Environments conducive to reading for pleasure including homes, school libraries, classrooms, and communities. Presenting diverse and interdisciplinary perspectives, this will be a key text for researchers, teacher educators, and policy makers who wish to become better informed in their thinking, discourse, and practice when supporting children and young people in learning to read for pleasure.

Ascent to Glory Álvaro Santana-Acuña, 2020-08-11 Gabriel García Márquez's novel One Hundred Years of Solitude seemed destined for obscurity upon its publication in 1967 The little known author small publisher magical style and setting in a remote Caribbean village were hardly the usual ingredients for success in the literary marketplace Yet today it ranks among the best selling books of all time Translated into dozens of languages it continues to enter the lives of new readers around the world How did One Hundred Years of Solitude achieve this unlikely success And what does its trajectory tell us about how a work of art becomes a classic *Ascent to Glory* is a groundbreaking study of One Hundred Years of Solitude from the moment García Márquez first had the idea for the novel to its global consecration Using

new documents from the author's archives Ivaro Santana Acuña shows how García Márquez wrote the novel going beyond the many legends that surround it. He unveils the literary ideas and networks that made possible the book's creation and initial success. Santana Acuña then follows this novel's path in more than seventy countries on five continents and explains how thousands of people and organizations have helped it to become a global classic. Shedding new light on the novel's imagination, production and reception, *Ascent to Glory* is an eye-opening book for cultural sociologists and literary historians as well as for fans of García Márquez and *One Hundred Years of Solitude*. [from F*ck You Money to FIRE](#) Merijn Heijnen, 2020-11-23 How to create and grow Fuck You Money. For your bucketlist trip around the world, a sabbatical, a down payment to secure the loan for your first home, your child's college fund, a mini retirement, and FIRE (Financially Independent Retire Early). You are in full control; it's you who determines the direction and it's you who makes the choices. An inspiring book, a practical approach, and a useful guide how to create Fuck You Money through smarter choices and small adjustments in your lifestyle. Because when you have set aside enough money, you are able to say Fuck You to anyone who limits you in making your own choices. So that you don't have to work all the time or never again, you can do what you really want and have the money for it when you want it. Start your journey from Fuck You Money to FIRE. Now. In this book, the author teaches you to look at behavior, your own money behavior, how you deal with money, why it's hard to change your money behavior. Discover how you can design a Smarter, Better, Cheaper lifestyle, how you can make money, how you don't have to spend it all, and how you can make your money grow by investing simply, smartly, and cheaply. This book is not about IRA, ISA, or 401K. It is about YOU. It is about how you can start not spending all your money. This book is not about reducing portfolio costs with an extra 0.1%. It is about changing behavior and choosing the best lifestyle for you to reduce your spending to a level that allows you to save and invest. This book is not about needing millions of dollars or euros to pay for a luxurious, materialistic, retired lifestyle. This book is about defining what you think is important in life and how much money you really need to achieve your goals. This book is not about reaching FIRE in your thirties after making 6-figure income and working yourself half dead for a few years. It is about understanding why you might want to work less or not at all and finding out when and how you can achieve this. This book is not about scaring you with financial terms, percentages, and technically difficult things you need to do. It is about how you can easily start investing and set up your portfolio of low-cost, diversified index tracking funds. It is about making small and fun steps so you can start now. [Finding the Write Fit](#) Ross Lampert (a.k.a. The Critique Doctor), 2025-10-01 Finding the Write Fit is a guide for evaluating one or more in-person critique groups, social media-based groups, or online critique sites to find one that's a good fit for you. It also provides an overview of online and in-person courses and classes that aren't associated with a college or university, looks at artificial intelligence applications as potential critique tools, and guides you through the process of forming your own in-person group if you decide you aren't comfortable with any of the other options. *Making Thought Visible* Curt Hersey, Julie D.
