## Step By Step Viral Tiktok Book:

What Readers Do Beth Driscoll, 2024-02-21 Shining a spotlight on everyday readers of the 21st century Beth Driscoll explores how contemporary readers of Anglophone fiction interact with the book industry digital environments and each other We live in an era when book clubs bibliomemoirs Bookstagram and BookTok are as valuable to some readers as solitary reading moments The product of nearly two decades of qualitative research into readers and reading culture What Readers Do examines reading through three dimensions aesthetic conduct moral conduct and self care to show how readers intertwine private and social behaviors and both reinforce and oppose the structures of capitalism Analyzing reading as a post digital practice that is a synthesis of both print and digital modes and on and offline behaviors Driscoll presents a methodology for studying readers that connects book history literary studies sociology and actor network theory Arguing for the vitality agency and creativity of readers this book sheds light on how we read now and on how much more readers do than just read

**Relax to Riches** Renee Rose, ARE YOU STRAINING AND STRIVING TO MANIFEST DO YOU WANT MORE MONEY MAGIC AND MIRACLES If you d like to take your manifesting practice to the next level beyond dream boards relentlessly staying positive and repeating affirmations this book is for you Relax to Riches is about taking the VIP entrance into your desired life with rapid transformation It is possible to manifest with greater ease to relax into it trust the process and pull in everything you desire faster Manifesting your desires slows or stops when you re functioning from inner dissonance when part of you wants to hit the target but some secret shadowy part of you that you might not even be aware of holds you back It can feel like you re taking two steps forward one step backward or that you have to strain and effort to reach your dreams Enter Relax to Riches When you get completely integrated and congruent with yourself you have all your energy focus and attention to instantly manifest your desires Relaxing into that state of allowance ease and receiving the absence of resistance brings more space to your creations In this book you ll learn how to allow your creations to take on lives of their own instead of trying to control them into being Learn to Do less and receive more Hack your subconscious through the untapped potential of dream time Access more of your own power and potency Create manifest with greater speed and ease Clear past trauma that blocks you from achieving your goals Release and integrate energetic and money blocks Unwind your limiting beliefs Relax into being who you truly are Feel lighter and more buoyant with a sense of possibility and joy When you employ the practices in this book you ll start to love yourself more and deepen into who you truly are the essence of your truth self worth and personal power with the knowledge that anything you desire is yours for the asking and can and will come your way with total ease Renee Rose is magical Her work on mindset and abundance has transformed my relationship with writing taken the pressure off and helped me truly learn to love my books again Sarra Cannon HeartBreathings Author Coach

White Screens, Black Dance Pamela Krayenbuhl, 2025-07-30 White Screens Black Dance shows how several types of American masculinity were built through Black dance on mid twentieth century film and

television It does so by analyzing case studies of major period stars both Black and white the Nicholas Brothers Gene Kelly Elvis Presley and Sammy Davis Jr In the process it also reveals the white stars appropriation of Black culture through dance which the author terms blackbodying Both this practice and the midcentury models of masculinity that it describes are ultimately shown to remain with us today on film TV and TikTok

*Dismissed* Todd McMurtry, 2024-06-08 We re told Justice should be blind We ve been taught that The Truth will set you free But is that the world in which we find ourselves Cancel culture biased narratives mainstream media and giant corporations these are the mindsets and special interests that have ferociously aligned in a force that silences and punishes the common citizen Historically the Justice System has been the entity to stand in the gap to ensure citizens aren t overpowered But is that still the case Through the lens of defamation law *Dismissed* serves as an examination of how the justice system has been taken over by political maneuvering and American citizens are suffering The book delves into high profile defamation cases revealing how the rich and powerful use litigation to stifle dissent and control public perception The impact of social media on modern defamation law cannot be overstated As platforms like Twitter Facebook and Instagram become battlegrounds for public opinion the lines between personal expression and legal liability blur *Dismissed* explores how online reputations are made and destroyed in an instant and how the courts are struggling to keep up with the pace of digital communication The book provides a critical look at the role of tech giants in moderating content and their influence on the legal landscape Furthermore *Dismissed* addresses the growing concern of judicial bias and the politicization of the bench Through meticulous research and compelling narratives the book argues that partisan interests and campaign contributions are compromising the integrity of the judiciary Readers will gain insight into the ways judges are appointed and the impact of their rulings on the fabric of American democracy This book is a call to action for legal reform and the protection of individual rights At its core *Dismissed* is a powerful commentary on the state of justice in America It challenges readers to question the status quo and to advocate for a legal system that truly serves the people By shining a light on the misuse of defamation law the book aims to inspire change and restore faith in the principle that justice should be impartial and accessible to all Todd V McMurtry is an accomplished trial attorney and skilled mediator committed to professional excellence His involvement in nationally recognized defamation cases and his expertise as a mediator for commercial disputes have cemented his reputation as a leading legal authority frequently collaborating with local counsel nationwide He has represented prominent public figures in defamation actions secured retractions for high profile clients and achieved significant victories in arbitration and jury trials His notable successes include defending a national bank against complex allegations managing multi million dollar failures of insurance funds and winning a medical malpractice jury trial

**Take Your Own Advice** Jeffrey Marsh, 2023-05-16 For those who are givers carers and empaths a guide to focusing that energy on yourself even if that feels frightening from popular LGBTQ activist and advocate Jeffrey Marsh Like many of us Jeffrey Marsh was conditioned to have an outward focus to give to others to be a good listener and to

be the one who gave the best advice In Marsh s case it was a method of survival Growing up genderfluid in an unaccepting family Marsh did everything they could to meet the needs of others and not have needs of their own And ultimately this meant Marsh put themselves in the backseat of their own life In this heartfelt and sincere book Marsh shares their story and the lessons they learned on the path back to themselves Whether you re a survivor of abuse and trauma like Marsh or you ve passively accepted that your worth ought to be defined by your usefulness to others Take Your Own Advice will give you the confidence to lead your life on your terms and to prioritize what s important you It s time that you learn to put yourself first to take care of yourself and to ask others to listen to you for a change You do give the best advice after all *Dance in US*

*Popular Culture* Jennifer Atkins,2023-07-21 This innovative textbook applies basic dance history and theory to contemporary popular culture examples in order to examine our own ways of moving in and through culture By drawing on material relevant to students Dance in US Popular Culture successfully introduces students to critical thinking around the most personal of terrain our bodies and our identities The book asks readers to think about what embodied knowledge we carry with us and how we can understand history and society through that lens what stereotypes and accompanying expectations are embedded in performance related to gender and or race for instance how such expectations are reinforced negotiated challenged embraced or rescripted by performers and audiences how readers articulate their own sense of complex identity within the constantly shifting landscape of popular culture how this shapes an active sense of their everyday lives and how this can act as a springboard towards dismantling systems of oppression Through readings questions movement analyses and assignment prompts that take students from computer to nightclub and beyond Dance in US Popular Culture readers develop their own cultural sense of dance and the moving body s sociopolitical importance while also determining how dance is fundamentally applicable to their own identity This is the ideal textbook for high school and undergraduate students of dance and dance studies in BA and BfA courses as well as those studying popular culture from interdisciplinary perspectives including cultural studies media studies communication studies theater and performance studies Chapter 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY 4.0 license
