recommend this book for anyone who doesn't have a Twitter account for those who do have one but aren't actively using it and for those who aren't quite sure how to get the most out of their account. Though I have been using Twitter for some time now, I still learned a thing or two from reading this. Clarified any issues I had or concerns and listed some excellent precautions. Perfect introduction to Twitter. Quick and easy read with lots of photos. I finally understand the I've been tweeting for over a year but learned a lot of helpful details I hadn't been aware of until now. Lots of easy to understand info and good instructions with screenshots that make it easy to understand. Thanks for the help and making Twitter even more fun. Just the quick light intro I wanted. No annoying bits of philosophy. Some careful warnings about privacy and courtesy are included. You really can skim it in 30 minutes. Easy to read and actually fun to fire up my twitter account and play along with each chapter. Everyone has 30 spare minutes spread out over a week if not a day to read this guide. **Twitter Tips, Tricks, and Tweets** Paul McFedries, 2009-04-20 A full color portable guide to getting all the fun and productivity from Twitter. Twitter is hot. It's used by everyone from teens keeping up with their friends to fundraising charities and organizations responding to natural disasters even President Obama tweets. Twitter Tips Tricks and Tweets gets you in on the fun taking you all the way from setting up an account to incorporating cool third party applications. Defined as microblogging, Twitter allows you to be as active or passive as you choose in keeping up with the conversation. Limited to 140 characters per comment or tweet, it's designed for here and now communication. This handy guide gives you everything you need to know. Guides you through setting up an account and following Twitter rules. Explains how to tweet from mobile devices. Shows how to add Twitter to a blog or to other social networking sites such as Facebook. Offers ideas for using Twitter in business as well as for personal contacts. Covers Twitter terminology. Provides useful tips and tricks for expanding Twitter's usefulness through third party applications. Twitter Tips Tricks and Tweets explores all the features of Twitter so you can join the conversation and discover what all the buzz is about. **Twitter** Dhiraj Murthy, 2018-03-02 Twitter is a household name discussed for its role in national elections, natural disasters and political movements as well as for what some malign as narcissistic chatter. The first edition of Murthy's balanced and incisive book pioneered the study of this medium as a serious platform worthy of scholarly attention. Much has changed since Twitter's infancy although it is more relevant than ever to our social, political and economic lives. This timely second edition shows how Twitter has evolved and how it is used today. Murthy introduces some of the historical context that gave birth to the platform while providing up to date examples such as the Black Lives Matter movement and Donald Trump's use of Twitter in the US election. The chapters on journalism and social movements have been thoroughly updated and completely new to this edition is a chapter on celebrities and brands. Seeking to answer challenging questions around the popular medium, the second edition of Twitter is essential reading for students and scholars of digital media.
