The scholarship involved with its fluent familiarity with this extraordinary range of sources a range which very few historians are capable of using is remarkable as is the quality of the prose and the breadth and maturity of the judgments made. This book will become the standard work in a field where much has been written. Rashid Khalidi University of Chicago An impressive achievement subtle nuanced and yet firmly grounded in a mass of well weighted and well interrogated archival documents and memoirs. It is clearly the best book yet written on Mandatory Palestine. Juan Cole University of Michigan

**From Palestine to Israel** Ariella Azoulay, 2011-10-07 In this carefully curated and beautifully presented photobook Ariella Azoulay offers a new perspective on four crucial years in the history of Palestine Israel. The book reconstructs the processes by which the Palestinian majority in Mandatory Palestine became a minority in Israel while the Jewish minority established a new political entity in which it became a majority ruling a minority Palestinian population. By reading over 200 photographs from that period most of which were previously confined to Israeli state archives Azoulay recounts the events and the stories that for years have been ignored or only partially acknowledged in Israel and the West. Including substantial analytical text this book will give activists scholars and journalists a new perspective on the origins of the Palestine Israel conflict

**Histadrut** Ronnie Fraser, 2022-02-04 This book explores the British Labour Party and the trade unions and how their relationship with the Jews of Palestine and Israel has evolved over the past one hundred years. It also reflects the changing attitudes of the Labour Party and the unions towards the persecution of the Jews a Jewish homeland in Palestine Israel and antisemitism. An in depth examination of critical events in European and Middle East history reveals the links between British unions and their Israeli union counterpart the Histadrut General Federation of Labour and sets out the circumstances in which the unions went from backing the Labour Party's 1917 war aims declaration which called for the establishment of a Jewish homeland in Palestine through to the present day which sees the unions promoting campaigns for boycotts and sanctions against the State of Israel

**Stone Men** Andrew Ross, 2021-04-06 Winner of the 2019 Palestine Book Awards They demolish our houses while we build theirs. This is how a Palestinian stonemason in line at a checkpoint outside a Jerusalem suburb described his life to Andrew Ross. Palestinian stone men using some of the best quality limestone deposits in the world and drawing on generations of artisanal knowledge have built almost every state in the Middle East except one of their own. Today the business of quarrying cutting fabricating and dressing is the Occupied Territories largest private employer and generator of revenue and supplies the construction industry in Israel along with other countries in the region and overseas. Ross's engrossing surprising and gracefully written story of this fascinating ancient trade shows how the stones of historic Palestine and Palestinian labor have been used to build the state of Israel in the process constructing facts on the ground

even while the industry is central to Palestinians own efforts to erect bulwarks against the Occupation For more than a century the hands that built Israel s houses schools offices bridges and even its separation barriers have been Palestinian Looking at the Palestinian Israeli conflict in a new light this book largely based on field interviews in the region asks how this record of labor and achievement can and should be recognized Connecting with the Enemy Sheila H.
