establishment of a classless society well ahead of its time in literary style and political thought Friedrich Engels a German philosopher and social scientist co authored The Communist Manifesto with Karl Marx where their revolutionary ideas flourished His experiences in England interacting with the working class and observing its struggles greatly influenced his comprehension of capitalist society Engels s background as a businessman s son paired with deep rooted concern for the oppressed compelled him to highlight these urgent class issues through his powerful writing established within the broader framework of Marxist theory This seminal work is essential reading for anyone interested in social justice labor rights and the historical roots of class struggle Engels s compelling arguments not only offer insight into the working class of the past but also resonate with contemporary discussions on inequality and capitalism Engage with this vital text to understand the ongoing relevance of Engels s observations and their implications for modern society In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing An Author Biography reveals milestones in the author s life illuminating the personal insights behind the text A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

The Condition of the Working-Class in England In 1844 Frederick Engels,2021-08-29 Friedrich Engels sometimes anglicised as Frederick Engels was a German philosopher economist historian political theorist and revolutionary socialist He was also a businessman journalist and political activist whose father was an owner of large textile factories in Salford and Barmen Prussia The Condition of the Working Class is the best known work of Engels and in many ways still the best study of the working class in Victorian England It was also Engels s first book written during his stay in Manchester from 1842 to 1844 Manchester was then at the very heart of the Industrial Revolution and Engels compiled his study from his own observations and detailed contemporary reports The fluency of his writing the personal nature of his insights and his talent for mordant satire combine to make this account of the life of the victims of early industrial change into a classic a historical study that parallels and complements the fictional works of the time by such writers as Gaskell and Dickens What Cobbett had done for agricultural poverty in his Rural Rides Engels did and more in this work on the plight of the industrial workers in the England of the early 1840s *The Condition of the Working-Class in England In 1844* ,2018-02-19 The Condition of the Working Class in England in 1844 with a Preface written in 1892 by Frederick Engels Translated by Florence Kelley Wischnewetzky The Condition of the Working Class in England is an 1845 book by the German philosopher Friedrich Engels a study of the industrial working class in Victorian England Engels first book it was originally written in German as Die Lage

der arbeitenden Klasse in England an English translation was published in 1885 The state of things described in this book belongs to day in many respects to the past as far as England is concerned Though not expressly stated in our recognised treatises it is still a law of modern Political Economy that the larger the scale on which Capitalistic Production is carried on the less can it support the petty devices of swindling and pilfering which characterise its early stages The pettifogging business tricks of the Polish Jew the representative in Europe of commerce in its lowest stage those tricks that serve him so well in his own country and are generally practised there he finds to be out of date and out of place when he comes to Hamburg or Berlin and again the commission p viagent who hails from Berlin or Hamburg Jew or Christian after frequenting the Manchester Exchange for a few months finds out that in order to buy cotton yarn or cloth cheap he too had better drop those slightly more refined but still miserable wiles and subterfuges which are considered the acme of cleverness in his native country The fact is those tricks do not pay any longer in a large market where time is money and where a certain standard of commercial morality is unavoidably developed purely as a means of saving time and trouble And it is the same with the relation between the manufacturer and his hands     *The Condition of the Working-Class in England in 1844*

Frederick Engels,2021-01-03 A town such as London where a man may wander for hours together without reaching the beginning of the end without meeting the slightest hint which could lead to the inference that there is open country within reach is a strange thing This colossal centralisation this heaping together of two and a half millions of human beings at one point has multiplied the power of this two and a half millions a hundredfold has raised London to the commercial capital of the world created the giant docks and assembled the thousand vessels that continually cover the Thames     **The Condition of the Working Class in England** Frederick Engels,2016-06-10 Notice This Book is published by Historical Books Limited [www.publicdomain.org.uk](http://www.publicdomain.org.uk) as a Public Domain Book if you have any inquiries requests or need any help you can just send an email to [publications@publicdomain.org.uk](mailto:publications@publicdomain.org.uk) This book is found as a public domain and free book based on various online catalogs if you think there are any problems regard copyright issues please contact us immediately via DMCA [publicdomain.org.uk](http://publicdomain.org.uk)     [The Condition of the Working Class in England In 1844](#) Frederick Engels,2021-08-14 Book Excerpt umphed along the whole line The Reform Bill of 1831 had been the victory of the whole capitalist class over the landed aristocracy The repeal of the Corn Laws was the victory of the manufacturing capitalist not only over the landed aristocracy but over those sections of capitalists too whose interests were more or less bound up with the landed interest bankers stock jobbers fund holders etc Free Trade meant the re adjustment of the whole home and foreign commercial and financial policy of England in accordance with the interests of the manufacturing capitalists the class which now represented the nation And they set about this task with a will Every obstacle to industrial production was mercilessly removed The tariff and the whole system of taxation were revolutionised Everything was made subordinate to one end but that end of the utmost importance to the manufacturing capitalist the cheapening of all raw produce and especially of the m Read More     **The Condition of the**
