**A Treatise of the Materia Medica, Vol. 1 of 2 (Classic Reprint)** William Cullen,2018-08-21 Excerpt from A Treatise of the Materia Medica Vol 1 of 2 The Lectures on the Materia Medica formerly published in my name though very incorrect were so well received by the public that notwithstanding my endeavours to prevent it they have been several times reprinted and even translated into foreign languages This mark Of public favour led me to think Of giving a more correct and complete edition of those Lectures But finding that it was not possible for me to give it with the corrections and supple ments which would be necessary in a satisfying manner I have long abandoned that idea and judged it more proper to give an almost entirely new work which I endeavour to do in the present publica tion In this work I must acknowledge the omission of many articles which have commonly found a place in treatises on the same subject For such omissions it is proper for me here to account About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Lectures on the Materia Medica** William Cullen,1773 **A Practical Treatise Materia Medica and Therapeutics** John Vietch Shoemaker,2017-11-02 Excerpt from A Practical Treatise Materia Medica and Therapeutics With Especial Reference to the Clinical Application of Drugs As the rapid exhaustion of the third

edition has compelled the publishers to issue a fourth the author made use of the occasion for the purpose of revising work. The principal facts in pharmacology and the properties elicited by the researches and experience of past year have been incorporated in this issue. A number of new synthetic products and vegetable drugs have been described. Several modifications of organic compounds have been prepared and the most important of them have been briefly noticed.
