With the help of this friendly *Dummies* guide, you'll accelerate your journey from traditional to digital marketing processes, uncover tips to prove ROI of marketing activities and increase audience engagement. Build and implement a winning digital plan for your brand. Learn how to establish an online presence with social media. Turn online prospects into loyal customers. Target consumers in any market segment and age bracket. Dig into the latest marketing advice as you provide your potential and existing customers the kind of personal experience you look for as a customer.

TikTok Cultures in the United States Trevor Boffone, 2022-04-03. *TikTok Cultures in the United States* examines the role of TikTok in US popular culture, paying close attention to the app's growing body of subcultures. Featuring an array of scholars from varied disciplines and backgrounds, this book uses TikTok subcultures as a point of departure from which to explore TikTok's role in US popular culture today. Engaging with the extensive and growing scholarship on TikTok from international scholars, chapters in this book create frameworks and blueprints from which to analyze TikTok within a distinctly US context, examining topics such as gender and sexuality, feminism, race and ethnicity, and wellness. Shaping TikTok as an interdisciplinary field in and of itself, this insightful and timely volume will be of great interest to students and scholars of new and digital media, social media, popular culture, communication studies, sociology of media, dance, gender studies, and performance studies.

Strategic Social Media Management Karen E. Sutherland, 2020-12-21. This textbook provides a lively introduction to the fast paced and multi faceted discipline of social media management with international examples and perspectives. Aside from focusing on practical application of marketing strategy, the textbook also takes students through the process of strategy development, ethical and accurate content curation and strategy implementation through detailed explanations of content creation. Combining theory and practice, *Strategic Social Media Management* teaches students how to take a strategic approach to social media from an organisational and business perspective and how to measure results. Richly supported by robust and

engaging pedagogy and cases in each chapter it integrates perspectives from public relations marketing and advertising and examines key topics such as risk ethics privacy consent copyright issues and crises management It also provides dedicated coverage of content strategy and campaign planning and execution Reflecting the demands of contemporary practice advice on self care for social media management is also offered helping to protect people in this emerging profession from the negativity that they can experience online when managing an organisation s social media presence After reading this textbook students will be able to develop a social media strategy curate accurate and relevant content and create engaging social media content that tells compelling stories connects with target audiences and supports strategic goals and objectives This is an ideal textbook for students studying social media strategy marketing and management at undergraduate level It will also be essential reading for marketing public relations advertising and communications professionals looking to hone their social media skills and strategies

Disconnected Milan Frankl,2025-02-25 Disconnected Exploring the Decline of Social Networks examines the future of social networks highlighting their transformation from community builders to sources of misinformation and frustration Using interdisciplinary insights it uncovers the complex interplay of technological social and cultural factors behind this shift It discusses the impact on individuals businesses and society proposing pathways to a healthier digital environment The book delves into the fascinating journey of social networks tracing their evolution from tools that fostered community building to platforms that can sometimes spread misinformation It explores how privacy issues are crucial in shaping user experiences and trust Disconnected also examines the phenomenon of algorithmic polarization where algorithms create echo chambers and contribute to the spread of disinformation The author explores the social and cultural factors that influence social networks Additionally he includes case studies that highlight the real world impacts of social networks on individuals businesses and society as a whole Readers will discover practical solutions that offer pathways to creating a healthier digital environment enable recognition of misinformation and privacy issues more effectively as well as gain strategic insights that will help navigate and influence the future of social networks
